Dear Mr. Sanders,

I am in receipt of your June 2, 2023 correspondence advising of AMR's intent to enter into a subcontracting agreement with the Ventura County Fire Protection District for ambulance services under specified conditions, effective June 27, 2023. The County's Agreements with American Medical Response Ambulance Service, Inc. d/b/a/ American Medical Response and with Gold Coast Ambulance Service, for the Provision of Emergency Ambulance and Related Services, Section 9 Assignments and Subcontracts, Subsection 9.1 requires:

"Except for the purposes of mutual aid, Contractor shall not employ subcontractors or consultants to carry out the responsibilities undertaken pursuant to this Agreement without the written consent of the VC EMS administrator or his or her authorized representative."

As VC EMS administrator, I hereby consent to the proposed subcontract. Pursuant to subsection 9.2:

"All assignees, subcontractors, or consultants approved by the VC EMS administrator or his or her authorized representative shall be subject to the same terms and conditions applicable to Contractor under this Agreement, and Contractor shall be liable for the acts and/or omissions of all assignees, subcontractors or consultants."

Feel free to contact me should you have any questions and thank you for your ongoing commitment to our county's EMS system.
