

**FOX CANYON GROUNDWATER MANAGEMENT AGENCY
LAS POSAS VALLEY WATERMASTER**

MEMORANDUM

Date: July 17, 2024
To: Las Posas Valley Watermaster Policy Advisory Committee
From: Kudzai F. Kaseke, Assistant Groundwater Manager
Subject: Protest of Water Year 2023 Basin Assessment levied on Del Norte Water Company (WMID 3500).

Dear Las Posas Valley Watermaster Policy Advisory Committee (PAC):

Attached for committee consultation is communication from Del Norte Water Company (WMID 3500) protesting the Water Year 2023 Basin Assessment levied against the company and its shareholders.

The Las Posas Valley Adjudication Judgment states that, the Watermaster, following Committee Consultation, may reduce the amount of the Basin Assessments levied on Water Right Holders that pay an assessment to United Water Conservation District (UWCD), if such a reduction is appropriate as a matter of equity. (Judgment § 7.9). The Las Posas Valley Adjudication Judgment also provides that, “Any Party seeking judicial review of a Basin Management Action must have timely exhausted opportunities for relief through the submission of written comment(s) to Watermaster, either individually or through a written report submitted by PAC or TAC, concerning the Basin Management Action;” (Judgment § 9.2.1.1).

Watermaster brings this issue before the PAC for discussion in compliance with the Judgment. Please provide feedback to the Watermaster by August 9, 2024.

Please contact me at 805 654 2010 or LPV.Watermaster@ventura.org with any questions or concerns.

Re: Protest of Basin Assessment-Release Date 03/05/2024

Dear Sir or Madam:

By letter dated April 18, 2024, Del Norte Water Company (“DNWC”) sent a letter to the Watermaster protesting the payment of the Basin Assessment based on Section 7.9 of the Final Judgment (the “April 18 Protest”). [A copy of the April 18 Protest is attached hereto as Exhibit “1”.] No response has been received from the Watermaster. Please be advised that DNWC intends to seek relief pursuant to the provisions of Section 9.2 of the Final Judgment:

Section 9.2.1.1 of the Final Judgment provides: “Any Party seeking judicial review of a Basin Management Action must have timely exhausted opportunities for relief through the submission of written comment(s) to Watermaster, either individually or through a written report submitted by PAC or TAC, concerning the Basin Management Action.”

Section 9.2.1.2 of the Final Judgment provides: “Prior to seeking judicial review of a Basin Management Action, Watermaster and the disputing Party(ies) shall first engage in mediation unless both Watermaster and the disputing Party(ies) agree in writing to forego mediation. Watermaster may waive the requirement to engage in mediation in which case a Party that has exhausted its administrative remedies with Watermaster may seek judicial review without having engaged in mediation.”

The April 18 Protest was DNWC’s good faith attempt to initiate a dialogue with Watermaster regarding Section 7.9 assessment reductions. Having received no response from Watermaster on the protested matter, DNWC has exhausted administrative remedies and will continue to pursue its sought-after remedies through the above-referenced channels. The Watermaster assessment is for activities and administration that either duplicate the activities of

the UWCD or has no benefit to DNWC and its Shareholders. Notwithstanding the protest, DNWC complied with the Notice of Assessment and paid the \$187,832.00 basin assessment in full. DNWC seeks the following remedies:

- 1) An Amended Notice of Assessment reflecting a reduction that is proportionate to the duplicative or non-beneficial activities and administration referenced above; and
- 2) Reimbursement that is proportionate to the reduction in the Amended Notice of Assessment.

DNWC remains hopeful that an agreement can be reached without resorting to mediation or judicial review. Please advise whether mediation or review by the Santa Barbara Superior Court will be necessary to enforce Section 7.9 of the Final Judgment.

Very truly yours,

DEL NORTE WATER COMPANY

Re: Protest of Basin Assessment - Release Date: 03/05/2024

Dear Sir or Madam:

Del Norte Water Company (“DNWC”) received a Notice of Basin Assessment Release Date: 03/05/2024 made pursuant to Final Judgment filed 07/10/2023 in *Las Posas Valley Water Rights Coalition, et al. v. Fox Canyon Groundwater Management Agency, et al.*, Case No. VENCI00509700. A copy of said Notice is attached hereto as Exhibit “A”.

As you are aware, appeals of the Judgment are pending, although it has not been stayed.

On April 6, 2024, DNWC forwarded a check to the Watermaster of the funds collected by it from its Shareholders in response to the Notice of Assessment.

DNWC, for itself and each of its Shareholders (see List of WMIDs attached hereto as Exhibit “B”), hereby Protests the payment of the Basin Assessments made, with full reservation of all applicable rights against the Las Posas Valley Watermaster, because of the provisions of Section 7.9 of the Judgment which reads:

“7.9 **Adjustments to Basin Assessments for UWCD Assessments.** Water Right Holders located in the western portion of the Basin within the UWCD’s service area presently pay assessments to UWCD, a portion of which is used to finance UWCD’s ongoing activities that are designed to replenish the Basin and neighboring basins. Watermaster may reduce the amount of the Basin Assessments levied on Water Right Holders that pay an assessment to UWCD if Watermaster determines, following Committee Consultation, that such a reduction is appropriate as a matter of equity.”

DNWC completed the UWCD’s Semi-Annual Groundwater Production Statements (attached hereto as Exhibit “C”) for the period 07/01/2023 to 12/31/2023. DNWC has partially paid 25% of the \$187,832 that was due and will pay the balance on June 30, 2024.

Item 26C – Watermaster memo to PAC (July 17, 2024)

Las Posas Valley Watermaster
April 18, 2024
Page 2

The UWCD assessment is based on replenishment activities that benefit DNWC and its Shareholders. DNWC is informed and believes the Watermaster assessment is for activities and administration that either duplicate the activities of the UWCD or has no benefit to DNWC and its Shareholders.

DNWC apologizes that, due to clerical error, this Protest was not made at the time the assessment monies were forwarded to the Watermaster on April 6, 2024.

Very Truly Yours,

DEL NORTE WATER COMPANY

JOHN C. ORR, President
