Simultaneous Interpreter

- Simultaneous interpreting works for large live events like conferences, workshops, etc. It is a little more expensive because of the skill, effort and preparation involved. It typically takes 2+ years for a professional linguist to be trained to be a simultaneous interpreter. During this time interpreters learn to listen to a speaker and interpret with only a few seconds' delay. Ideally, simultaneous interpreters review speeches or other materials available before the event to prepare. Listening intently and interpreting is draining. Working in teams of two (after 2 hours) allows simultaneous interpreters to take breaks every 20-30 minutes to recover and prepare for their next turn.

- C. Payment shall be made upon the submission of approved invoices to COUNTY, and in accordance with the rates. Notwithstanding any other provisions of this Agreement in no event shall the maximum amount payable herein exceed the maximum amount specified in Section A above.
- D. CONTRACTOR shall bill COUNTY monthly in arrears by using the CONTRACTOR's invoice form. All invoices submitted shall clearly reflect all required information regarding the services for which claims are made, in the form and with the content specified by COUNTY. CONTRACTOR shall submit appropriate documentation along with an invoice for reimbursement. Invoices for reimbursement shall be completed by CONTRACTOR, dated, and forwarded to COUNTY within ten (10) working days after the close of the month in which services were rendered. Incomplete or incorrect claims shall be returned to CONTRACTOR for correction and re-submittal and will result in payment delay. Late invoices will also result in payment delay. Following receipt of a complete and correct monthly invoice and approval by COUNTY, CONTRACTOR shall then be paid within forty-five (45) business days of submission of a valid invoice to the COUNTY.
- E. It is expressly understood and agreed between the parties hereto that COUNTY shall make no payment and has no obligation to make payment to CONTRACTOR unless the services provided by CONTRACTOR hereunder were authorized by the DIRECTOR or designee prior to performance thereof.
- F. In the event that CONTRACTOR fails to comply with any provisions of this Agreement, including the timely submission of any and all reports, records, documents, or any other information as required by COUNTY, State, and appropriate Federal agencies regarding CONTRACTOR's activities and operations as they relate to CONTRACTOR's performance of this Agreement, COUNTY shall withhold payment until such noncompliance has been corrected.

- G. COUNTY and CONTRACTOR agree to meet on an ongoing basis to negotiate concerns related to this Agreement, including but not limited to concerns regarding service delivery and outcomes, documentation and reporting requirements, financing and revenue production.
- H. COUNTY shall have the right to recover overpayment to CONTRACTOR as a result of any audit or disallowance review under this Agreement. Upon written notice by COUNTY to CONTRACTOR of any such audit or disallowance review, CONTRACTOR shall reimburse the COUNTY the full amount of disallowance within in a period of time to be determined by the COUNTY. Reimbursement shall be made by CONTRACTOR.

Any substitution will be with a person of commensurate experience and knowledge.

7. **CONTRACT MONITORING AND REPORTING**

The COUNTY will have the right to review the work being performed by the CONTRACTOR under this Agreement at any time during the CONTRACTOR's usual working hours. CONTRACTOR shall provide reports as required by the VCBH DIRECTOR, by the State, or Federal Government regarding CONTRACTOR's activities and operations as they relate to CONTRACTOR's performance under this Agreement. COUNTY shall provide CONTRACTOR with an explanation of the procedures and/or format for reporting any information as may be required under this Agreement.

- 3) Accounting records and supporting documents shall be retained for a ten (10) year period from the date the year-end cost settlement report was approved by the State (DHCS) for interim settlement. If this Agreement is completely or partially terminated, the records relating to the work terminated shall be preserved and made available for a period of 10 years from the date of any resulting final settlement. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the 10-year period, the records shall be retained until completion of the action and resolution of all issues which arise from it, (including any appeal in the action), or until the end of the regular 10-year period, whichever is later. When an audit by the Federal Government, DHCS, Department of General Services, Bureau of States Audits, California State Auditor, Comptroller General of the United States has been started before the expiration of the ten-year period, the records shall be retained until completion of the audit and final resolution of all issues that arise in the audit. Final settlement shall be made at the end of the audit and appeal process. If an audit has not been completed within 10 years, the interim settlement shall be considered as the final settlement.

These records include, but are not limited to, all ledgers, books, vouchers, time sheets, payrolls, appointment schedules, client data cards, and schedules for allocating costs. All records must be capable of verification by qualified auditors.

  - a. If this Agreement is completely or partially terminated, the records relating to the work terminated shall be preserved and made available for a period of three years from the date of any resulting final settlement.
  - b. If any litigation, claim, negotiation, audit, or other action involving the

records has been started before the expiration of the ten (10) year period, the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 10 year period, whichever is later.

- 5) Should this Agreement be terminated, or CONTRACTOR ceases to conduct business in its entirety, CONTRACTOR will work to collaborate in good faith with COUNTY to facilitate COUNTY obtaining and retaining CONTRACTOR's fiscal and program records for the required retention period. CONTRACTOR will provide the records to COUNTY in the format and method required to comply with all Federal, State, COUNTY, and local laws, regulations, and requirements.

## **9. VERIFICATION OF SERVICES AND SITE INSPECTION**

CONTRACTOR's fiscal and program performance and reported delivery of service will be subject to verification, inspection, and monitoring. CONTRACTOR's contracted activities shall be monitored to ensure that all funds are used for authorized purposes, in compliance with Federal, State, and County statutes, regulations, and the terms and conditions of the Federal, State, and County funding and/or grant and that performance goals are achieved. The COUNTY, State, or Federal government, through any authorized representatives, may in its sole discretion inspect or otherwise evaluate the work performed and the premises where the work is being performed through periodic or unannounced inspections and monitoring reviews during normal business hours. CONTRACTOR shall provide all reasonable facilities and assistance for the safety and convenience of the authorized representatives in the performance of their duties and so as not to unduly delay the inspection and monitoring work.

The refusal of the CONTRACTOR to permit access to, examination/inspection of, or audit of electronic or print books, records, physical facilities, and/or refusal to permit interviews with employees, constitutes an express and immediate material breach of the Agreement and will be sufficient basis to terminate the Agreement for cause or default.

Inspection and monitoring audit reports shall reflect all findings, recommendations, adjustments, and corrective actions required. If the results of any inspections and monitoring reviews require corrective action, CONTRACTOR will be required to submit a corrective action plan no later than thirty (30) days after receiving the findings of such review(s).

## **10. SINGLE AUDIT/AUDIT**

If CONTRACTOR receives and expends more than \$750,000 in Federally allocated awards (associated with an Assistance Listing number- see [beta.SAM.gov](https://beta.SAM.gov)) in a fiscal year, CONTRACTOR agrees to obtain a single audit report from an independent certified public accountant in accordance with the Single Audit Act of 1984, as amended, and the United

Any extension of the due date must be approved in writing by the VCBH Provider Network Operations Unit. All audit costs are the sole responsibility of the CONTRACTOR.
