These records shall reflect all direct and indirect costs of whatever nature claimed to have been incurred in the performance of the Agreement, including any matching costs and expenses. State, or Federal governments (as applicable). All records must be capable of verification by qualified auditors.

- 3) Accounting records and supporting documents shall be retained for a ten (10) year period from the date the year-end cost settlement report was approved by the State (DHCS) for interim settlement. If this Agreement is completely or partially terminated, the records relating to the work terminated shall be preserved and made available for a period of 10 years from the date of any resulting final settlement. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the 10-year period, the records shall be retained until completion of the action and resolution of all issues which arise from it, (including any appeal in the action), or until the end of the regular 10 year period, whichever is later. These records include, but are not limited to, all ledgers, books, vouchers, time sheets, payrolls, appointment schedules, client data cards, and schedules for allocating costs. All records must be capable of verification by qualified auditors.

10. **VERIFICATION OF SERVICES AND SITE INSPECTION**

CONTRACTOR's fiscal and program performance and reported delivery of service will be subject to verification, inspection, and monitoring. CONTRACTOR's contracted activities shall be monitored to ensure that all funds are used for authorized purposes, in compliance with Federal, State, and County statutes, regulations, and the terms and conditions of the Federal, State, and County funding and/or grant and that performance goals are achieved. The COUNTY, State, or Federal government, through any authorized representatives, may in its sole discretion inspect or otherwise evaluate the work performed and the premises where the work is being performed through periodic or unannounced inspections and monitoring reviews during normal business hours. CONTRACTOR shall provide all reasonable facilities and assistance for the safety and convenience of the authorized representatives in the performance of their duties and so as not to unduly delay the inspection and monitoring work.

The refusal of the CONTRACTOR to permit access to, examination/inspection of, or audit of electronic or print books, records, physical facilities, and/or refusal to permit interviews with employees, constitutes an express and immediate material breach of the Agreement and will be sufficient basis to terminate the Agreement for cause or default.

Inspection and monitoring audit reports shall reflect all findings, recommendations, adjustments, and corrective actions required. If the results of any inspections and monitoring reviews require corrective action, CONTRACTOR will be required to submit a corrective action plan no later than thirty (30) days after receiving the findings of such review(s).

11. **SINGLE AUDIT/AUDIT**

If CONTRACTOR receives and expends more than \$750,000 in Federally allocated awards (associated with an Assistance Listing number- see beta.SAM.gov) in a fiscal year, CONTRACTOR agrees to obtain a single audit report from an independent certified public accountant in accordance with the Single Audit Act of 1984, as amended, and the United States Office of Management and Budget "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards."

Any extension of the due date must be approved in writing by the VCBH Provider Network Operations Unit. All audit costs are the sole responsibility of the CONTRACTOR.
