I write in support of the continuation of the the RAIN TLC program on Lewis Road in Camarillo. I have seen first hand the success this program has achieved for homeless families, women and children over the years. It is unique in its community living approach which cannot be duplicated in a motel living setting. With the number of unhoused people growing each year we need RAIN TLC more now than ever.

Please vote to keep RAIN open! It is a program worth keeping to help the unhoused population in Ventura County.

Thank you for your consideration.

Sincerely,

Janice and Robert Fostakowsky
