Honorable Supervisors,

My husband and I have lived in Ventura county for eleven years, and in that time we have come to love it for its natural beauty and its wonderful people.

Please oppose the proposed giveaway to Oil and Gas companies. Let's honor the voice and public health of our community by protecting the Ventura County 2040 General Plan. Uphold government integrity, prioritize our health, and respect the voice of our community - vote no.

Your first responsibility is to the people of Ventura County - not to wealthy and powerful special interests.

Respectfully,

Robin Munson
