Contractor shall perform the services listed below and as a result of performing the services outlined below, the Contractor's efforts are expected to result in an enhancement of the participant's (also referred to herein as "customer's") work maturity and job skills as they assist them to transition into unsubsidized employment.

The employer of record is the entity or agency held responsible for paying wages, benefits, and related taxes for the CalWORKs Expanded Subsidized Employment (ESE) program participant.

Prior to County ESE sites being approved for customer placement, and if the hourly wage is \$25/hr. or more, it is the responsibility of the Contractor to notify the County Division Manager requesting that the ESE placement be placed under consideration for final consideration and approval by the County.

1. Pre-Employment services:

- Maintain at least 50 employment worksite positions in the County to place a maximum of 50 CalWORKs customers in subsidized jobs during the contract period. This presumes the County refers up to 70 job-ready CalWORKs customers during the period July 1, 2025– June 30, 2026.
- Place customers with employers who agree to hire the CalWORKs customer as a
- part of their regular workforce and who agree to be the employer of record for all employment-related taxes, benefits, and insurance.
- Establish a working relationship with County Community Access and Engagement (CAE) staff to ensure timely and effective referrals of customers to this program.
- Develop and implement a marketing strategy and materials that communicate information about the program to potential worksite employers. Submit copies of materials to CAE program staff.
- Develop workplace safety protocols and harassment policies for placements.
- Inform prospective employers of benefits and responsibilities with participating in the subsidized job placement program.
- Utilize current Industry and Occupational labor market information to match CalWORKs customer's employment skills and objectives with local job openings.
- Ensure sufficient bi-lingual (English/Spanish) services are available to customers.
- Enroll all eligible customers referred by CAE for participation in the program in accordance with referral procedures agreed upon by Contractor and County. If clarification of customer eligibility is needed, Contractor shall contact County Subsidized Employment Coordinator within five (5) working days of Contractor

initial appointment with the ESE customer. An “accepted referral” is a job ready customer, interviewed by the Contractor and waiting for placement into subsidized employment. Referred customers who are not accepted by Contractor will not be included in any outcome or performance calculations.

- Place customers in an expanded subsidized employment at no more than twenty-five (\$25) dollars per hour. Any request for an hourly wage above twenty-five dollars (\$25) per hour will be evaluated on a case-by-case basis by the Human Services Agency Division Manager and would require approval by the Deputy Director prior to placement.
- Secure an ESE placement for up to six months for customers referred by the County.
- Ensure all ESE positions created are for a minimum of at least 20 hours of paid work per week.
- Make contact with each ESE customer referred by the County within five (5) working days of receiving referral paperwork from County to set appointment for initial program assessment and intake. Contact the County Subsidized Employment Coordinator and assigned Employment Specialist on the fifth working day if efforts to contact customer are unsuccessful or if no appointment to have customer attend an intake appointment has been set.
- Place customers into the ESE assignment with an employer within five working days of program acceptance.
- Complete and return to County all forms as directed.
- Provide all ESE customers with an orientation to the ESE program, its benefits, and responsibilities including: payroll and W-2 information; review of workplace safety and procedures and regulations regarding program participation; grievance procedures; subsidized employment program information; and any additional information necessary to ensure customers are prepared to participate in the program.
- Provide pre-employment physical and background checks as requested by the worksite.
- Ensure all customers read, sign, and adhere to the ESE Conflict of Interest Policy.
- Place customers into the ESE assignment with an employer within five working days of program acceptance.

2. Subsidized Employment Services:

- Maintain confidentiality of all customer records which may include employee time/attendance records, record of payments received for reimbursement and employee pay records. Records relating to this agreement are to be retained for a period of time as determined by the County.
- Visit the worksite and/or consult with the ESE customer and the worksite supervisor monthly, or more frequently as necessary to monitor progress,

coach customers on any work-related challenges they may be experiencing, ensure customer safety, and address any worksite supervisor concerns related to customer performance.

- Identify any ESE customer support service needs, e.g., uniforms or tools, and notify the County ESE Coordinator and assigned Employment Specialist to ensure such needs are appropriately addressed.
- Provide counseling services to customers focused on skills and behaviors that will enhance job retention.
- Ensure that the ratio of CalWORKs customers placed into subsidized employment at Goodwill Industries worksites does not exceed 25% of total subsidized job placements to regular, unsubsidized Goodwill employees at that site.
- Notify County ESE Coordinator and assigned Employment Specialist within 48 hours upon significant change in customer work status, i.e., attainment of job placement, end of ESE assignment, hired as regular employee, customer being terminated from a work assignment, any condition in which such customer would be considered for re-employment, customer is not actively engaged in the program, or if any grievance concerns arise.
- Provide a 30-day termination notice to the customer, County Subsidized Employment Coordinator, assigned Employment Specialist and employer prior to the end of the ESE assignment.

Provide a copy of the performance evaluation to the County ESE Coordinator and assigned Employment Specialist.
- Ensure that customers are adequately supervised on the job and provided with an appropriate orientation to the tasks and duties for the occupation in which they have been placed.
- Maintain contact with the worksite employer within the final month of the subsidized employment period to determine if the customer will be retained in the job. Notify County ESE Coordinator and assigned County Employment Specialist of the results of the placement.
- Encourage participating employers to develop unsubsidized employment opportunities for customers.
- Develop worksites where employers will commit to retaining employees beyond the subsidized period of employment. Provide a list of worksites to County ESE Coordinator on a weekly basis.
- Engage in efforts to obtain higher paying employment opportunities for customers.
- Comply with all applicable federal, state, municipal, and local standards for employee health and safety.
- Use the automated system provided by CAE, when applicable, to replace the customer log.

3. Invoicing and reporting functions:

- Establish a written agreement with each employer who agrees to hire a CalWORKs customer as a subsidized, regular employee of the employers' firm. Such an agreement shall spell out the terms and conditions for any subsidy provided to the employer by the Contractor as well as hours, wages, and job duties. A copy of each agreement is to be provided to the County.
- Ensure all customers participating in the Subsidized Employment program are hired as employees of the worksite employer. The employer of record is responsible for payroll, taxes, and benefit reporting. The contractor may, in certain situations, be the employer of record and would thus be held to those responsibilities. It shall be the understanding of both the Contractor and the worksite employer that CalWORKs customers placed into employment under this agreement are not subject to the County's Living Wage Ordinance.
- Complete and provide all required reports to County as directly related to customers' work status, earnings, hours etc. from the employer.

- Ensure workers compensation insurance coverage is maintained for each customer placed on a subsidized employment worksite.
- Ensure that organizational protocols for proper separation of duties in all fiscal functions are maintained, and that all required employee payroll benefits and taxes are accounted for in the payroll process.
- Continue to seek out and provide subsidized and unsubsidized job placements for all customers referred to Contractor as well as required follow-up services and reporting to County for those customers placed into subsidized employment for up to the full six-month period.
- Contact CAE Division Manager to request approval for extension of subsidized employment assignment for those instances when the employer worksite has indicated a commitment to hire the customer should the extension be granted.
- Develop and distribute a satisfaction survey to employers and customers to monitor program quality. Submit survey results semi-annually to CAE program

staff.

- Secure unsubsidized, full-time jobs for CalWORKs customers in accordance with the program goals.
- For those CalWORKs customers who are not able to transition from subsidized into unsubsidized employment at their worksite by the six-month time period, utilize best efforts, resources, and expertise to place those CalWORKs customers into other unsubsidized jobs within 60 calendar days of the completion of their subsidized job assignment.

Participants shall be pre-screened to ensure they meet the I-9 requirements (i.e., social security card, driver's license or state issued identification card) and will have a resume and master application package when referred by County. Participants are to be paid at least minimum wage, which can be increased based on participant's performance. The reimbursement of the work assignment may last up to six months. In certain cases, the wage reimbursement may be extended up to two times in three-month increments, for a maximum per participant ESE total of 12 months (including the original six months). HSA shall only grant an extension if the additional time will increase the likelihood of either of the following:

- a) The participant will obtain unsubsidized employment with the participating subsidized employer.
- b) The participant is learning a specific skill and/or experience relevant for unsubsidized employment for a particular field.

Participants are to be placed in paid subsidized slots for a minimum of 20 hours/week. Project participants may continue to receive subsidized childcare, health care and job-related supportive services from the County during their period of employment.

An accompanying narrative outlining reasons for underperformance and plan for improvement should accompany reports for any measures where the stated goal is not being met. Should the format of the Performance report change during the contract period, the County will advise the contractor as soon as possible.

9. Additional Requirements

- In the event of short- or long-term conditions which impact Contractor's normal service delivery operations, such as a declared public health emergency or disaster, Contractor shall immediately notify County of the status and impact on operations, staffing and customer populations. Contractor shall work with County to develop a strategy to be approved by County for alternative methods to deliver services and

The up to 25% for Operational Costs include the costs of overseeing the program, developing work sites, and developing and maintaining required reports, as well as up to the 10% *de minimus* indirect cost rate. Contractor will be reimbursed monthly in Net 30 arrears for approved and allowable contract costs incurred and paid in accordance with compensation.

Budget includes estimated participant wages (from minimum wage up to a maximum of \$25 per hour, as designed by Contractor), non-wage costs and up to 25% operational costs. Any hourly wage above \$25 per hour must be pre-approved by the County, in coordination with the ESE Contractor.

Total earnings available to Contractor will be based on wages earned by the participants, related non-wage employee costs and Contractor operational costs. For example, if a participant is placed in a job at a wage of \$11 per hour for 30 hours per week, the gross weekly earnings would be \$330. If the non-wage costs of the participant are another 18%, total compensation payable to the employer of record for that participant would be \$389.40. Contractor will be paid the entire wage earned plus non-wage costs and up to 25% of the sum of wage and non-wage cost.

Reimbursement for travel and expenses is to be in accordance with the County's expense reimbursement policy (Administrative Manual).

INTRODUCTION

The General Conditions, Assurances and Certifications shall apply to and are incorporated into this contract. To the extent there is any conflict between the General Conditions, Assurances and Certifications and any other provision in this contract, the General Conditions, Assurances and Certifications shall prevail. To the extent that provisions in the General Conditions, Assurances and Certifications relate to services or activities not encompassed in the subject contract, those provisions do not apply.

A. GENERAL CONTRACT CONDITIONS

1. Reports

The Contractor shall submit timely and accurate programmatic and financial reports in accordance with the contract and County Directives.

2. Limits of Obligation

The Contractor shall be paid in accordance with the contract and budget, not to exceed the maximum amount specified. Any cost incurred by the Contractor over and above the maximum amount obligated by the contract and budget shall be at the sole risk and expense of the Contractor.

3. Documentation and Procurement Requirements

The Contractor shall maintain documentation of all services and contract costs and comply with all applicable procurement requirements. Such documentation and procurement must be in accordance with the contract requirements and all applicable federal, State, and County requirements, and provide sufficient detail (*i.e.*, original source documents) to support Contractor purchases, claims for reimbursement and payments made under the contract.

4. Disallowed Costs

Contractor shall be liable for all amounts which are determined to be due as a result of disallowance by the Federal Government, the State of California, or the County of Ventura or any other governmental agency with jurisdiction, when such disallowance is the result of the Contractor's or its Subcontractor's conduct. Payment of any disallowed costs must be made within 30 days of notification of the disallowed costs, unless otherwise specified by County. The Contractor shall comply with the provisions set forth in the County's Audit Resolution Procedure, hereby incorporated by reference, regarding Contractor's liability for expenditures disallowed by an auditor. Contractor will be notified of any disallowed costs or any other controversy or proceeding between County, the State of California or the federal government arising from the performance of the contract.

5. Availability of Funds

- a. The contract is valid and enforceable only if sufficient funds are made available to the County from the appropriate funding source and are appropriated by the County Board of Supervisors for the purpose set forth in the contract.
- b. At the expiration of the term of the contract or upon termination prior to the

GENERAL CONDITIONS, ASSURANCES AND CERTIFICATIONS

expiration of the contract, and after all payments have been made to the Contractor for services provided, any remaining funds that were previously obligated under the contract shall revert to the County.

- c. The County retains the right to suspend financial assistance, in whole or in part, to protect the integrity of the funds or to ensure proper operation of the program, providing the Contractor is given prompt notice and the opportunity for a hearing within 30 days from such suspension. Failure on the part of the Contractor or a Subcontractor to comply with the provisions of the contract or with applicable law, when such failure involves the allegation of fraud as a result of a monitoring or other program review or misappropriation of funds, may result in immediate de-obligation and withholding of funds and debarment from program operation.

6. Administrative Directives, Unilateral Modifications, Contract Directives

The County may issue administrative directives, unilateral modifications and contract directives concerning interpretations of Federal or State laws, rules and regulations, and directives received from the Federal Government or the State, and/or from the County Board of Supervisors, which may require changes in procedures by the Contractor.

Contractor will be deemed responsible for complying with such administrative and contract directives and/or modifications only after being formally notified in writing of appropriate action necessary.

7. Venue and Construction

The validity of this contract and any of its terms or provisions, as well as the rights and duties of the parties under this contract, will be construed pursuant to and in accordance with the laws of the State of California. The parties acknowledge that the contract is entered into and is to be performed in the County of Ventura, State of California. In any legal proceeding relating to the contract, the parties agree that for all purposes venue shall be in the County of Ventura, State of California.

8. Ownership of Work Product

Upon the termination of the contract for any reason, all data, documents, films, tapes and all reports or any other work products paid for by grant or other funds provided by federal, State, and County and prepared by the Contractor in the course of operating the program, will become the property of the County. This will not include any information that is proprietary to the Contractor, unless otherwise agreed to by the parties in writing.

9. Personnel Disclosure

The list shall include: (1) the names and job titles of all full or part-time staff and volunteers providing services under the contract, (2) a brief description of each position and the FTE hours allocated, and (3) the professional degree, if applicable, and experience required for each position.

10. Responsibility for Equipment

County shall not be responsible nor be held liable for any damage to person or property

GENERAL CONDITIONS, ASSURANCES AND CERTIFICATIONS

consequent upon the use, misuse, or failure of any equipment used by Contractor or any of Contractor's employees, even though such equipment is furnished, rented, or loaned to Contractor by County. The acceptance or use of any such equipment by Contractor or Contractor's employees shall be construed to mean that Contractor accepts full responsibility for and agrees to exonerate, indemnify and hold harmless County from and against any and all claims for any damage whatsoever resulting from the use, misuse, or failure of such equipment.

11. Contamination and Pollution

Contractor, solely at its own cost and expense, will provide clean up of any premises, property or natural resources contaminated or polluted due to Contractor activities. Any fines, penalties, punitive or exemplary damages assigned due to contaminating or polluting activities of the Contractor will be borne entirely by the Contractor.

Contractor shall not hire, nor compensate from contract funds, any of its governing body to provide services under the contract without the written approval of County.

13. Subcontracts

- a. Any subcontracts entered into by the Contractor must be in compliance with all applicable Federal and State procurement laws, policies, or regulations.
- b. Any of the work or services specified in the contract which will be performed by other than the Contractor will be evidenced by a written agreement specifying the terms and conditions of such performance.
- c. The Contractor will maintain and adhere to an appropriate system, consistent with Federal, state, and local law, for the procurement, award and monitoring of contracts which contain acceptable standards for insuring accountability.
- d. The system for awarding contracts will contain safeguards to ensure that the Contractor does not contract with any entity whose officers have been convicted of fraud or misappropriation of funds within the last five (5) years.
- e. The system for soliciting and/or developing fixed unit price contracts must include sufficient documented analysis to assure that costs billed as a single-unit charge are reasonable and supportable, based on the prevailing rate of such services obtained from competitive sources, or that costs are justifiable, predicated on the unique nature of the service provided.
- f. No subcontract shall alter in any way any legal responsibility of Contractor to

14. Political Activities Prohibited (Hatch Act) & Byrd Anti-Lobbying Amendment

Contractor agrees to maintain all records under the contract in accordance with applicable federal, state and local requirements:

- a. Contractor agrees to retain all records pertinent to all contracts, sub-contracts, and agreements including statistical, property and participant/client records and supporting documentation for a period of three (3) years and all payroll and financial records for a period of seven (7) years from the date of final payment of the Contract.
