To the County Board of Supervisors,

Let it to be known that the Election Education Series presented by Michelle Ascencion, VC Clerk-Recorder & Registrar of Voters is a well thought out plan of educating our citizens of their options in voting locations, the hours and the accessibility of our Vote Centers, as well as their rights, the importance of their votes and the security of all our votes handled in our County by our Elections Department.

The Voter's Choice Act is a giant step forward in our voting process.

I, as a long-time citizen of Ventura County have the utmost respect and confidence in Michelle Ascencion, our Elections officers and staff and you should, too.

Thank you for your time and consideration.
