WARNING: If you believe this message may be malicious use the Phish Alert Button to report it or forward the message to Email.Security@ventura.org.

We believe that our current system of elections including ballot drop boxes, machine counting of ballots, extended voting days and early scanning of mail-in ballots is a satisfactory and secure way to ensure that all Ventura citizens have an opportunity to vote. We believe there is no evidence of voter fraud in Ventura County. Please ignore the radicals who are trying to make trouble.

M. & L. G

Residents of district 1
