**RE: City Selection Committee – Request for Appointment to LAFCo**

Dear City Selection Committee:

Please accept this Letter of Interest for appointment to the Local Agency Formation Commission as City Member Commissioner.

I currently have the privilege of serving as Councilmember for the City of Camarillo where I have been a resident for over 45 years. I have served as councilmember for six years. I am also appointed to several of our City's internal committees for Economic Development and Land Use, Policy, and the ad hoc committees of Biosolids/Food Waste and Healthy Camarillo. I also serve as a regional representative on the Ventura County Airport Authority and Clean Power Alliance of Southern California. For the Clean Power Alliance, I chair the Finance Committee and sit on the Executive Committee.

My professional experience includes my current employment as a Psychiatric R.N. at Vista del Mar Hospital in Ventura. I earned my RN at the USC-Los Angeles County Medical Center School of Nursing, and I hold a B.S. in Psychology and a M.S.N. from the University of Phoenix. I am passionate and dedicated to improving the quality of life throughout the County and feel I am a candidate reflective of a broad set of skills with ample experience to contribute to LAFCo.

I work to find compromise and build consensus around issues of shared interest with those I work alongside and look forward to adding a fresh perspective to the diversity of the commission. I am a proponent for the preservation of agricultural land resources and open spaces and will provide a balanced viewpoint as a representative for all Ventura County communities.

I have served as an alternate for LAFCo for the past two years and have attended almost all of the meetings. I look forward to continuing my work as a regular member.
