I kindly request that the Ventura County Board of Supervisors consider approving the Lease Option Agreement for Karls' themed village development at Fisherman's Wharf, as recommended by the Harbor Director.

I understand that the proposed development aligns with the Harbor's Public Works Plan, Oxnard's Local Coastal Plan and HCI Ordinances, as well as the Coastal Act and its Environmental Justice Policies.

I believe that this development has the potential to revitalize the Harbor and provide a unique, wholesome, and affordable destination for families and visitors to enjoy.

I respectfully request your approval to move this project forward.

Thank you for your time and consideration.

Best regards,

Ana Skrederstu
