The COUNTY may assign its rights and obligations under this AGREEMENT at any time without the consent of the CONTRACTOR, provided such assignment is to another public agency.

CONTRACTOR shall not be considered in breach of this AGREEMENT if such potential breach is caused by wrongful obstruction or unreasonable delay by the COUNTY, a change to the Scope of Services because of an omission by the COUNTY, or by strikes, fire, earthquake, or any other Act of God, or by the inability to obtain materials, equipment, or labor due to federal government restrictions arising out of defense or war programs.

D. Time of the Essence

Time is of the essence in the performance of all acts required under this AGREEMENT.

E. No Waiver

No action or failure to act by COUNTY shall constitute a waiver of a right afforded it under the AGREEMENT, nor shall such action or failure to act constitute approval of or acquiescence in a condition or breach thereunder, except as may be specifically agreed in writing. No waiver by COUNTY of any condition, breach or default shall constitute a waiver of any other condition, breach or default; nor will any such waiver constitute a continuing waiver.

F. Amendments; Persons Authorized to Act on Behalf of COUNTY

1. Amendments - No amendment, modification, or variation from the terms of this AGREEMENT is valid unless it is in writing and executed by both PARTIES.

2. PROGRAM DIRECTOR's Authority - Because of the need to provide supervision of CONTRACTOR's performance and to respond to unexpected occurrences, such as receipt of unacceptable materials, unusually high participation rates, or collection of unusually large quantities of materials, the COUNTY hereby authorizes the PROGRAM DIRECTOR to modify, by written Work Authorization Change Order, the type and quantity of services to be provided by CONTRACTOR at an EVENT as compared to the services to be provided by CONTRACTOR at the EVENT as stated in the applicable NOTICE TO PROCEED. The bond or letter of credit shall be on a form provided by the COUNTY which, among other provisions, shall stipulate that any extensions of time, extra work, additional work, and other changes in CONTRACTOR's services may be made without the consent of the surety or the issuer of the letter of credit. If, at any time, the value of the bond or letter of credit is determined to be insufficient by the COUNTY to guarantee faithful performance, the CONTRACTOR shall secure and file a new bond or letter of credit in the amount specified by the COUNTY within ten (10) days after receiving written notification of such. The CONTRACTOR shall not cancel, modify, or allow the bond or letter of credit to expire without first providing the COUNTY thirty (30) days advance written notification and obtaining a replacement bond or letter of credit

The CONTRACTOR, in the performance of its obligation hereunder, is subject to the control or direction of the COUNTY merely as to the result to be accomplished by the services rendered and performed and not as to the means and methods for accomplishing the results.

J. Insurance Provisions

Without limiting the CONTRACTOR'S duty to defend and indemnify the COUNTY pursuant to Article 5 below, the CONTRACTOR shall, during the term of this AGREEMENT and any extensions, provide and maintain, at its sole cost and expense, the types of insurance specified below subject to the following conditions:

1. General Conditions - All insurance certificates, excluding Pollution Legal Liability and Worker's Compensation, shall name each of the MOU PARTIES, including the COUNTY, and each of their elected officials, officers, agents, and employees as additional insureds. All insurance required shall be primary coverage as respects the MOU PARTIES, and any insurance or self insurance maintained by the MOU PARTIES shall be in excess of CONTRACTOR's insurance coverage and shall not contribute to it.

2. Cancellation or Reduction in Coverage - The CONTRACTOR's insurance shall not be canceled, non-renewed, or reduced in coverage or limits until thirty (30) days after advanced written notification has been sent by the issuing insurance company via certified mail (return receipt requested) to the COUNTY at its address for official notice stated in Article 7 below.

3. Workers' Compensation - The CONTRACTOR shall procure and maintain, during the term of this AGREEMENT and any extensions, workers' compensation insurance for all its employees performing services related to this AGREEMENT. ATTACHMENT 1

5. Failure to Procure Insurance - CONTRACTOR'S failure to procure or maintain the insurance policies, coverage amounts or limits, and/or endorsements required pursuant to this Section shall constitute a material breach of this AGREEMENT under which the COUNTY may terminate this AGREEMENT in accordance with Article 4(G)(2) of this AGREEMENT. Alternatively, the COUNTY may procure, or renew, such insurance to protect its interests and pay any premiums in connection therewith and recover all monies so paid from the CONTRACTOR, or deduct all monies so paid from payments due CONTRACTOR.

6. Underlying Insurance - The CONTRACTOR shall be responsible for requiring indemnification and insurance as it deems appropriate from its employees, consultants, agents, and subcontractors, if any, to protect the interests of both the CONTRACTOR and the COUNTY and to ensure such persons comply with any applicable insurance statutes.

7. Evidence of Coverage - The CONTRACTOR shall provide the following insurance documents to the COUNTY within ten (10) working days after the final execution of this AGREEMENT by the COUNTY: certificates of insurance for all required coverage; additional insured endorsement; and thirty (30) days notice cancellation clause endorsement. L. Service Monitoring

The COUNTY and other MOU PARTIES shall have the right to review the work being performed by the CONTRACTOR under this AGREEMENT at any time. Monitoring under this provision does not constitute approval of CONTRACTOR'S actions nor shall it relieve the CONTRACTOR of its responsibility for the thoroughness of the services to be provided hereunder.

M. Anti-Discrimination

In the performance of this AGREEMENT, neither the CONTRACTOR, nor any subcontractor, shall engage in discrimination in employment of persons because of the age, disability or handicap, race, color, sex, familial status, national origin or ancestry, or religion of such persons.

Any unpaid amount disputed by COUNTY (e.g., paid under protest) shall not affect COUNTY's audit and inspection rights hereunder.

R. Entire Agreement

The indemnification provided in this Section shall apply whether or not the INDEMNITEE is at fault, provided, however, this indemnification shall not apply to a particular INDEMNITEE where that INDEMNITEE'S liability is based solely upon that INDEMNITEE'S willful misconduct or active negligence.
