Terry Theobald, CIO
County of Ventura

RE: Change Order #2

Dear Terry:

On behalf of Jory Wolf, VP Digital Innovation, EN Engineering, LLC (EN) is pleased to submit this Change Order #2 to provide additional design engineering services to the County of Ventura. We are confident that EN's expertise in working with your team will result in continues success.

EN proposes the following execution plan as depicted in three attachments:

Santa Clarita Vast/CVIN extension/interconnect		
Additional new design further east on Rye Canyon Road		
Interconnect with existing City of SC vault		
Interconnect with existing CVIN/Vast vault		
	LF	1422

State of CA CDT has moved MMBI vault location to a location approximately 1,400 feet further east than shown on preliminary MMBI maps.

Fillmore - ADF/MMBI interconnect		
New design for lateral		
new design for new vault/location at designated location		
interconnect with future MMBI		
	LF	21

State of CA CDT has requested a lateral and box for a future MMBI Highway 23 route to interconnect with the County/ State joint build.

BV - Lumen/MMBI interconnect		
new design for lateral		
interconnect with new/future Lumen vault at designated location		
	LF	68

Exact location of MMBI vault location (existing) has been identified requiring a short lateral connection.

EN Engineering's total cost for this work is \$4,500 + travel and expenses not to exceed \$2,500.

Please let us know how we can assist in preparing and expediting the contract amendment to complete the work in a timely manner

*Comprehensive and Dependable
Engineering, Consulting, and
Automation Services*

Sincerely,

A handwritten signature in black ink that reads 'Jesse Rodriguez' in a cursive script.
