To the Supervisors of the County of Ventura.

I urge you at the upcoming board of supervisors meeting to not close the RAIN transitional living center.

As a resident of VC and supporter of RAIN,
I urge the continuance of all support of this much needed and valuable resource.

The continued rise in homelessness, strains for families reaching any affordable housing goals once illness, injury or loss of a bread winner puts "families" on the streets...we all loose. We can not ignore the stress on the children of these families who will be citizens/voters of our county in the future. They must matter to all of us.

Please consider the consequences and impact to crime, public health and strain on other agencies if the facility is closed.

Thank you for your representation and full informed consideration as you hopefully vote NO to closure.

Regards,

Cynthia Schlageter
