

Proclaiming

May 6th - May 12th, 2024

National Nurses Week in Ventura County

Whereas, the theme for National Nurses Week in 2024 is "Nurses Make a Difference"; and

Whereas, the foundation of nursing practices established by Florence Nightingale, including the proper use of fresh air, light, warmth, cleanliness, quiet, and a healthy diet, are still used today to combat the spread of disease and promote wellness; and

Whereas, Professional nursing is an indispensable component in the safety and quality of care of patients and clients; and

Whereas, the demand for registered nursing services continues to be greater than ever because of the aging of the American population, the continuing expansion of life sustaining technology, and the explosive growth of home health and community-based nursing services; and

Whereas, the critical role of nurses has never been clearer, as they rise to meet the varied health care needs of the Ventura County population; and

Whereas, nurses provide the human connection our patients need and deserve, with courage and compassion.

Now, Therefore Be It Resolved, that the Ventura County Board of Supervisors recognizes the Nurses of the Ventura County Medical Center, Santa Paula Hospital, the Public Health Department, the Behavioral Health Department, and all of the County's affiliated Clinics for their resilience, compassion, professionalism and dedication.

Be It Further Resolved, that the Board of Supervisors of the County of Ventura expresses the gratitude of the entire County of Ventura and hereby joins the American Nurses Association in declaring the week of May 6 through May 12, 2024, as National Nurses Week, and they invite the citizens of Ventura County to join them in expressing appreciation.

Presented on this 14th day of May 2024

Matt LaVeré, Supervisor 1st District

Janice S. Parvin, Supervisor 4th District

Chair of the Board of Supervisors
Kelly Long, Supervisor 3rd District

Jeff Gorell, Supervisor 2nd District

Vianey Lopez, Supervisor 5th District
