**VENTURA COUNTY  
ORDINANCE NO. 4619  
NOTICE OF ADOPTION  
AND SUMMARY OF  
ORDINANCE**

A public hearing was held by the VENTURA COUNTY BOARD OF SUPERVISORS on Tuesday, September 12, 2023, at approximately 4:00 p.m. in the Board of Supervisors Hearing Room, County Government Center, Hall of Administration, 800 South Victoria Avenue, Ventura, California 93009.

**PROJECT LOCATION:** Certain parcels located in the northern, non-coastal unincorporated area of Ventura County that are within 200 feet of 14 wildlife crossing structures, as specified in the proposed ordinance.

**SUMMARY OF ORDINANCE:** The ordinance amends Articles 2 and 6 of the Ventura County Non-Coastal Zoning Ordinance to establish a 200-foot setback from 14 bridges and culverts that have been identified as important functional wildlife crossing structures to improve safe passage for wildlife and vehicles in the northern unincorporated area.

- Article 2: Amends the definition of "wildlife crossing structure" to clarify that flood plain facilities may also be a barrier for wildlife connectivity, that wildlife crossing structures are used by both terrestrial and aquatic wildlife, and to reflect that an existing map layer within the County View Geographic Information System will be updated to include the locations of the 14 wildlife crossing structures that are the subject of the proposed ordinance.

- Article 6: Establishes a 200-foot setback area from the entry and exit points of 14 wildlife crossing structures:

- Identifies the 14 wildlife crossing structures according to agency of ownership, identification numbers, and location.

- Prohibits certain new development, land uses and activities from occurring within the 200-foot setback area.

- Describes how to measure the 200-foot setback area.

- Lists 27 exemptions organized in three categories: "vegetation modification", "structures, development, land uses, and activities", and "outdoor lighting and related activities".

- Addresses when an existing structure located partially or wholly within the 200-foot setback area may be expanded under the proposed ordinance.

**ENVIRONMENTAL REVIEW:** Exempt per CEQA Guidelines Sections 15061(b)(3), 15307, and 15308.

The ordinance was adopted by the following vote:

AYES: Gorell, Long, Porvin, Lopez, and LaVeré

NOES: NA

ABSENT: NA
