September 2024
Service Clubs Month*

WHEREAS, service clubs in Ventura County are organizations that engage in community service, charitable work, and fundraising. These clubs have been an integral part of Ventura County in many cases for over 100 years and have made significant contributions to the development of our communities; and

WHEREAS, service clubs play a vital role in community development by providing resources and services to support local communities. They contribute to various community projects, such as building playgrounds, supporting educational programs, and providing scholarships; and

WHEREAS, these clubs engage in various charitable works, such as donating to food banks, homeless shelters, and disaster relief efforts; and

WHEREAS, service clubs provide leadership development opportunities for their members and provide avenues to learn about leadership skills, team building, and communication, assisting them in their personal and professional lives; and

WHEREAS, these clubs offer networking opportunities for members where they can interact with other professionals and community leaders, build relationships, and expand their social and professional networks; and

WHEREAS, service clubs also focus on developing the skills and talents of young people. They provide mentoring, leadership training, and scholarship opportunities for students and organize programs to support underprivileged youth; and

WHEREAS, these clubs encourage civic engagement by promoting volunteering and community service;

THEREFORE, BE IT RESOLVED that the Ventura County Board of Supervisors does hereby designate September as Service Clubs Month in appreciation for all the significant contributions these organizations make to our communities.
