

RESOLUTION NO. 24-036

A RESOLUTION RECOMMENDING THE APPLICATIONS OF W & G ENTERPRISES, INC. AND GENESIS PROGRAMS, INC. TO THE CALIFORNIA DEPARTMENT OF HEALTH CARE SERVICES FOR LICENSURE TO OPERATE DRIVING UNDER THE INFLUENCE PROGRAMS IN VENTURA COUNTY.

WHEREAS, the California Health and Safety Code, Sections 11836 ff. and the California Code of Regulations, Title 9, Sections 9795 ff. set forth both State and County responsibilities with respect to Driving Under the Influence (DUI) programs; and

WHEREAS, required licenses to conduct DUI programs are issued by the State's Department of Health Care Services (DHCS); and

WHEREAS, potential applications for licenses to operate DUI Programs must be recommended by the County where the program will be located to DHCS in order for the Department to consider issuing such a license; and

WHEREAS, historically the County has been the sole provider of DUI Program services within Ventura County;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby finds, declares, and determines:

1. The application of W & G Enterprises, Inc. to operate a DUI Program at 309 S. A St. Oxnard, CA 93030 and the application of Genesis Programs, Inc. to operate a DUI Program at 1732 Palma Drive, Suite 108 & 208, Ventura, Ca 93003 have been reviewed by this Board; and
2. Granting of these applications by DHCS will not jeopardize the programmatic or fiscal integrity of other such programs in Ventura County and is needed because of the County's intention to seek the voluntary de-licensure of its existing program; and
3. The continuing operation of similar services by W & G Enterprises, Inc. as licensed by DHCS in other Counties since 1992 and the specialized outpatient treatment in Ventura County since 1993 by Genesis Programs, Inc., is evidence of their capability to maintain compliance with the requirements; and

4. The application of W & G Enterprises, Inc to operate a DUI program in Oxnard, California and the application of Genesis Programs, Inc. to operate DUI program in Ventura, California are hereby recommended to DHCS.

Upon motion by Supervisor Parvin, seconded by Supervisor Gorell, and duly carried the Board hereby approves and adopts this resolution on this 9th day of April, 2024.
