Fiscal/Mandates Impact:

No fiscal impact.

Discussion:

By resolution of your Board, a report of work orders completed, and payments made under annual consulting services contracts is required. Attached, as Exhibit 1, is the Work Orders by Consultant on Annual Contracts FY2022 close-out list, which is a list of all work orders completed and payments made under annual consulting services contracts for the 2022 fiscal year. All work pursuant to work orders under the listed contracts was completed prior to December 31, 2022. Where a balance is shown under a specific work order, it is because the work to be accomplished under the work order was completed for a lesser amount or the work was subsequently not accomplished at the discretion of the Public Works Agency.
