

PRAYER to SAINT MEDARD/MEDARDUS
(Patron Saint of Weather and Storms)

Saint Medard, patron saint for protection
against bad winds, I ask for you to
intercede for the people in the LOS ANGELES
area during these wind and fire storms.

Protect the people, families, their homes,
the firefighters, and aerial firefighting
equipment.

I pray for assistance with the Santa Ana
winds, and the LOS ANGELES areas wildfires.

Loving GOD send in more helpers, and
multiply resources and supplies for the aid
of those in need.

You calmed the Storm on the Sea of Galilee,
deliver the people, firefighters, and
aerial equipment from the wind, and fire
storms that are raging around them now.

Saint Medard, please pray for all of them.

Amen.
