Dear Supervisors:

My name is Babara Leighton. I live in Newbury Park. I have spoken before the Board and written previously to urge you to support and uphold the California Voter's Choice Act as it is implemented in Ventura County. I am impressed by the careful election policies used in our county and see no reason to make the voting process harder for eligible voters.

The Voter's Choice Act has helped many eligible voters have better access to voting. People who face challenges due to odd work schedules, commuting long distances, caregiver responsibilities, disabilities or those with transportation challenges, can still vote securely and confidently with policies in place by the Voter's Choice Act.

I urge you to champion a healthy democracy in our county. Please encourage citizen engagement and support our county's implementation of the CA Voter's Choice Act.

Sincerely,

Barbara Leighton
