RESOLUTION OF THE BOARD OF SUPERVISORS OF  
THE VENTURA COUNTY WATERSHED PROTECTION DISTRICT  
ADOPTING AND CONFIRMING ASSESSMENTS ON REAL PROPERTY  
FOR FISCAL YEAR 2023/24

**WHEREAS**, the Board of Supervisors (Board) of the Ventura County Watershed Protection District (formerly known as Ventura County Flood Control District) received a written Report on Benefit Assessment Program for Flood Control for the initial fiscal year of the program as provided in Government Code Sections 54715 and 54716, which report (as amended from year to year) complies in all respects with the requirements of those sections; and

**WHEREAS**, this Board has received the latest report, Report on Benefit Assessment Program for Watershed Protection – Fiscal Year 2022/2023, on May 16, 2023, and fixed Tuesday, June 06, 2023, at 10:30 a.m. in the Board's chambers, Hall of Administration, 800 South Victoria Avenue, Ventura, California as the date, time, and place for the hearing upon such report; and

**WHEREAS**, because the rates and methodology for the assessment for FY 2023-2024 are the same as for FY1996-97, the requirements for publication and posting notice of hearing under Sections 6066 and 54716 of the Government Code do not apply for this assessment; and

**WHEREAS**, at the time of the public hearing, this Board heard and considered all testimony to the report, including comments with respect to the amount of the rates of assessment to be levied, and then this Board closed the public hearing; and

**WHEREAS**, this Board adopted a resolution on June 14, 1988, providing for the establishment and levy of benefit assessments to pay for the cost of providing Flood Control Services in Zones 1, 2, 3, and 4, which resolution reflects this Board's determination with respect to the assessment and all other matters pertaining to the same; and

**WHEREAS**, pursuant to Proposition 218, now codified as California Constitution Article XIII C and Article XIII D, the assessment rates and methodology proposed for the Benefit Assessment for the Ventura County Watershed Protection District for FY 2023-2024 remain the same as the assessment rates and methodology utilized in setting the Benefit Assessment in FY 1996-1997 and each year thereafter; and

**WHEREAS**, Attachment 1, 2, and 3, hereto and made a part hereof, represent information about proposed and previous rates and comparisons of proposed to previous assessment totals;

**NOW, THEREFORE, BE IT RESOLVED** that this Board does hereby make its determination upon each parcel listed on the latest County assessment roll for FY 2023-2024, does hereby confirm, adopt, and levy each and all assessments as such assessments are to be determined pursuant to the formulas described in Section IV D of the latest report, as applied to the rates shown on Attachment 2 where not in conflict with the formulas and methods determined by resolution dated June 14, 1988, and hereby directs that this resolution, confirming assessments, be recorded in the Office of the County Recorder.

Upon motion of Supervisor Long, seconded by Supervisor Parvin, and duly carried, the Board hereby adopts this resolution on the 6th day of June, 2023.
