

To whom it may concern:

I believe the Ventura County voting process adheres to strict guidelines designed to protect the accuracy of our voters in Ventura County in a free and fair election system.

Michelle Ascencion, Ventura County Clerk, has been working very hard to increase transparency of the voting process. She has presented the voting process to many of our organizations throughout Ventura County.

This is the first time anything has been done for the voters in my 50+ years as a resident of Ventura County. Therefore, I support the Voters Choice Act and have high confidence in the voting process, security, and results.

Recently, Michelle Ascencion, Ventura County Clerk, began a 5-part Election Education Series. This is a step beyond what is required of her to do. The County of Ventura is very fortunate to have someone with her expertise and forward-thinking ideas for our county.

I whole-heartedly support Michelle Ascencion in ALL her efforts as the Ventura County Clerk-Recorder & Registrar.

I am asking the Supervisors of Ventura to support Michelle Ascencion in all of her efforts to lead Ventura County into the next level by preserving history and protecting democracy.

Sincerely,
LaRita Montgomery, Resident of Oxnard
