Strategic Plan:

This item promotes the County's Strategic Plan priorities of fiscal responsibility and community safety by utilizing external grant funding to provide enhanced victim services to crime victims in Ventura County.

Discussion:

The Ventura County District Attorney's Office Crime Victims' Assistance Unit serves approximately 7,000 crime victims each year, guiding them through the criminal justice process, ensuring their rights are honored, and assisting them in obtaining services to help them cope with the trauma they have suffered.

A critical aspect of our ability to provide these vital services is grant funding. For more than two decades, your Board has supported crime victims by authorizing our office to apply for and receive numerous grants from the California Governor's Office of Emergency Services ("OES.") Although the grants listed in Exhibit 1 already have been approved by your Board during the annual budget process through the list of recurring grants for the fiscal year, the OES has requested a certified copy of a Resolution of the Board of Supervisors specifically authorizing District Attorney Erik Nasarenko's acceptance of these funds. I respectfully urge your Board's continued support of this important program by adopting the Resolution authorizing the District Attorney to accept the funds and to execute the grant agreements and any amendments or extensions thereof, subject to review and approval by County Counsel.

This item has been reviewed by the County Executive Office, the Auditor-Controller's Office and County Counsel. Questions regarding this item may be directed to Chief Deputy District Attorney Mike Jump at 805-652-7632 or Special Assistant District Attorney Chuck Hughes at 805-477-1635.

Sincerely,

ERIK NASARENKO
District Attorney
