Dear Supervisors,

I am writing to urge the Board of Supervisors to vote to approve the Lease Option Agreement for Karls' themed village development at Fisherman's Wharf, as recommended by the County Harbor Director.

Karls has been very open and responsive to community feedback and input on the project as Karls has shaped its proposal to enter into this Lease Option Agreement. The development will promote revitalization of the Harbor, rehabilitate a dilapidated Fisherman's Wharf, and create local jobs and revenue.

Karls will provide a wholesome, affordable, fun place for the County's families and visitors to come and enjoy at the harbor.

Sincerely,

Joyce Wallach
