§302(c)(4)(A) Describe the manner in which allocated funds will be used for eligible activities.

During the first five years of PLHA program implementation, the County of Ventura plans to use PLHA funds for the following five activities:

Activity 1: Capital Development - Rental Housing: provide loans for construction/permanent financing and/or operating subsidies to subsidize the development of affordable multifamily housing for households with incomes at or below 60% AMI (PLHA Final Guidelines section §301(a)(1));

Activity 2: Capital Development - Affordable Ownership Workforce Housing: provide grants to organizations developing new Affordable Ownership-Occupied Workforce Housing (AOWH) to make the home sales prices affordable to households at or below 80% AMI (PLHA Final Guidelines section §301(a)(2)); and

Activity 3: Local Housing Trust Fund: provide grant funding to the Housing Trust Fund Ventura County to provide short- and/or long-term low-interest loans to affordable housing developers for the development of affordable rental housing at or below 80% and 60% AMI. This PLHA contribution is expected to be matched with HCD's Local Housing Trust Fund (LHTF) program (PLHA Final Guidelines section §301(a)(3)).

On May 3, 2022, the Board approved amendments to the County's PLHA Plan to include the following activity:

Activity 6: Assisting persons who are experiencing or at-risk of homelessness including, but not limited to, providing rapid rehousing, rental assistance, supportive/case management services that allow people to obtain and retain housing, operating and capital costs for navigation centers and emergency shelters, and the new construction, rehabilitation, and preservation of permanent and transitional housing (PLHA Final Guidelines section §301(a)(6)).

On May 14, 2024, the Board approved amendments to the County's PLHA Plan to include the following activity:

Activity 9: Homeownership opportunities, including but not limited to down payment assistance (PLHA Final Guidelines section §301(a)(9)).
