**Subject: Certification of the November 5, 2024 General Election Results for Ventura County**

**Recommendation:**

Receive and file the Ventura County Registrar of Voters' certification of the results to the canvass of the November 5, 2024 General Election for Ventura County.

**Fiscal/Mandates Impact:**

None

**Relationship to Strategic Plan:**

Certification of elections results demonstrates compliance with applicable Elections Code provisions and requirements designed to protect the integrity and security of elections and votes and supports the Board's prioritization of transparency to the Ventura County community.

**Discussion:**

Elections Code section 15391(a) provides that California elections officials "shall not certify the results of the November 5, 2024, presidential general election prior to the 28th calendar day following the election," which is December 3, 2024. Further, under Elections Code section 15372, all election results must be certified within 30 days of the election, which falls on December 5, 2025.

To comply with these requirements, the November 5, 2024 General Election results were announced and posted on December 3, 2024, and certified on December 4, 2024. The exhibits to this board letter include a final election summary and the Registrar's official certifications of the November 5, 2024 General Election results.
