I am in support of NOT creating an Election Committee to oversee our already Safe and Secure elections in Ventura County. Those who 'deny' the results of an election which is not in their favor don't make it so!

I work for the Election Division during elections and it is safe and secure! I have heard what the election 'deniers' say at the County Board meetings. It is incredible to hear their misinformation, misconceptions, manipulation of the facts, tears and dark opinions.

Denying an election result that didn't go your way doesn't make it so.

Posters should NOT be allowed at County Board meetings.

Thank you
