 - b. Quality and Safety:
 - i) Work with the HOSPITAL and AMBULATORY CARE Chief Executive Officers and Chief Medical Officers on measuring, assessing and improving quality and patient safety in collaboration with the Inpatient and Outpatient Quality Departments, including helping to identify and carry out performance improvement, encouraging best practices, supporting bundled care initiatives and developing clinical practice guidelines.

- ii) Coordinate with other HOSPITAL departments regarding initiatives that are interdepartmental (SSI collaborative, throughput initiative).
- c. Resource Allocation and Oversight:
 - i) Work with the HOSPITAL Chief Executive Officer and Chief Medical Officer on resource allocation including staffing, space, capital equipment investment, supplies, medications and other resources to meet patient needs.
 - ii) Respond to resource shortages to ensure safe and effective care for all patients.
- d. Developing and implementing written policies and procedures for the DEPARTMENT which will help to assure compliance with licensing and accrediting bodies;
- e. Helping in establishing effective staffing patterns and standards of professional personnel coverage, including nursing care;
- f. Supervision of DEPARTMENT staff, including anesthesia technicians;
- g. Cooperation in utilization review functions, to ensure that necessary and appropriate services are offered to patients of HOSPITAL, and that such services are reflected in patient's record with appropriate and complete explanations;
- h. Cooperation in cost containment programs relative to controllable physician or other professional costs;
- i. Consultation with administration regarding supplies, equipment, space and personnel needs of the DEPARTMENT;
- j. Regular participation and representation in OR operations meetings;
- k. Assisting in preparation of budget and statistical data;
- l. Interfacing with the HOSPITAL Pharmacy Department to ensure the appropriate documentation and reconciliation of medication use;
- m. Cooperate and work collegially with the OR Manager and support staff in achieving HOSPITAL's Joint Commission standards and patient safety goals;
- n. Assuring that an effective peer review of anesthesia services is conducted, on a regular basis;
- o. Coordination and participating in the continuing selection of medical staff, anesthesia and nursing personnel, anesthesia technicians, and others affiliated with HOSPITAL, AGENCY or other teaching programs;

- p. Assisting in providing adequate quality assurance services in accordance with the Quality Assurance plan of the Ventura Campus of HOSPITAL;
- q. Provision of supervision and teaching of resident physician staff and other physicians in training, and the maintenance of an ongoing curriculum in anesthesia for said physicians, in preparation for their practice as family physicians.

II. SANTA PAULA HOSPITAL (SPH): It is mutually agreed that CONTRACTOR shall have the following responsibilities under the direction of the Chief Medical Officer and Chief Executive Officer of HOSPITAL:

1. CONTRACTOR shall provide all necessary anesthesia services for SPH. Specifically, CONTRACTOR shall provide the following:
 - a. Scheduled Coverage: CONTRACTOR shall provide or cause to be provided, on a 24 hour a day – 7 day a week basis, all services requested of the DEPARTMENT (subject to a physician's right to refuse treatment when in that physician's professional judgment such treatment would be harmful or dangerous to the patient, unethical or would endanger the life or health of personnel or other patients). Such coverage shall consist of, but not be limited to, evaluation of patients undergoing general or local anesthesia, provision of requested general or local anesthesia, and all consultations and requests for anesthesia services, as shall arise.
 - b. Emergency and Other Coverage: CONTRACTOR shall provide continuous first, second, evening float, weekend and holiday call anesthesia coverage for the DEPARTMENT to meet the required on call coverage standards of anesthesiology services for SPH.  - c. Week Day Operating Room (OR) Coverage: CONTRACTOR shall cooperate with other anesthesiology attending physicians to collectively provide the necessary coverage for two (2) ORs, Monday through Friday, 7 AM to 5 PM. CONTRACTOR will be on call for obstetrics and gynecology and emergencies, evening shift 5 PM to 10 PM and a night shift 10 PM to 7 AM. CONTRACTOR shall consult with the OR Manager and arrive at a mutually agreed upon anesthesiology staffing level for any given day that the OR schedule does not require this level of anesthesia staffing. CONTRACTOR shall comply with special requests that the HOSPITAL Chief Medical Officer or HOSPITAL Chief Executive Officer may make for coverage outside the OR coverage hours stated above. This is based on a full complement of four (4) anesthesiologists.

2. Medical Director Duties: George Paul, M.D., shall be designated as Medical Director, Anesthesiology Services for SPH. HOSPITAL reserves the right to remove and appoint the Medical Director, Anesthesiology Services for SPH at the discretion of the HOSPITAL Chief Medical Officer. CONTRACTOR shall provide administrative services to SPH which shall include, but not be limited to:
 - a. Strategic Vision: Establish the vision and strategic goals, both on a short and long term basis of the DEPARTMENT in line with the overall vision of AGENCY.
 - b. Quality and Safety:
 - i) Work with the HOSPITAL Chief Executive Officer and Chief Medical Officer on measuring, assessing and improving quality and patient safety in collaboration with the Inpatient and Outpatient Quality Departments, including helping to identify and carry out performance improvement, encouraging best practices, supporting bundled care initiatives and developing clinical practice guidelines.
 - ii) Coordinate with other HOSPITAL departments regarding initiatives that are interdepartmental (SSI collaborative, throughput initiative).
 - c. Resource Allocation and Oversight:
 - i) Work with the HOSPITAL Chief Executive Officer and Chief Medical Officer on resource allocation including staffing, space, capital equipment investment, supplies, medications and other resources to meet patient needs.
 - ii) Respond to resource shortages to ensure safe and effective care for all patients.
 - d. Developing and implementing written policies and procedures for the DEPARTMENT which will help to assure compliance with licensing and accrediting bodies;
 - e. Helping in establishing effective staffing patterns and standards of professional personnel coverage, including nursing care;
 - f. Supervision of DEPARTMENT staff, including anesthesia technicians;
 - g. Cooperation in utilization review functions, to ensure that necessary and appropriate services are offered to patients of HOSPITAL, and that such services are reflected in patient's record with appropriate and complete explanations;
 - h. Cooperation in cost containment programs relative to controllable physician or other professional costs;
 - i. Consultation with administration regarding supplies, equipment, space and personnel needs of DEPARTMENT;

- j. Regular participation and representation in OR operations meetings;
- k. Assisting in preparation of budget and statistical data;
- l. Interfacing with the HOSPITAL Pharmacy Department to ensure the appropriate documentation and reconciliation of medication use;
- m. Cooperate and work collegially with the OR Manager and support staff in achieving HOSPITAL's Joint Commission standards and patient safety goals;
- n. Assuring that an effective peer review of anesthesia services is conducted, on a regular basis;
- o. Coordination and participating in the continuing selection of medical staff, anesthesia and nursing personnel, anesthesia technicians, and others affiliated with HOSPITAL, AGENCY or other teaching programs;
- p. Assisting in providing adequate quality assurance services in accordance with the Quality Assurance plan of the Santa Paula Campus of HOSPITAL;
- q. Provision of supervision and teaching of resident physician staff and other physicians in training, and the maintenance of an ongoing curriculum in anesthesia for said physicians, in preparation for their practice as family physicians.

III. VCMC AND SPH SHARED SERVICES AND GENERAL PROVISIONS:

1. Operating Room (OR) Coordinator: CONTRACTOR shall provide the services of an OR coordinator to oversee and coordinate anesthesia services with HOSPITAL's surgeons to increase OR efficiencies and optimize use of OR times utilizing David Capone Consulting Services (DCCS) software.
2. Administrative Services: CONTRACTOR shall provide administrative services for the operations of the anesthesiology services at VCMC and SPH. These services shall include management of schedules, recruitment, retention, financial, legal, hiring of locum coverage as needed to fill any shortages of services up to thirty (30) days per fiscal year, and other necessary operational transactions.
