09/08/24 Ventura County Supervisors,

First and foremost, despite what you hear from those of who oppose us, we WANT every eligible citizen of Ventura County to be able to vote. You DO have the authority to pass a resolution to go BACK to the one-day and precinct voting....that would still include absentee voter ballots for those who need them.

The current voting system is incurring huge unnecessary costs to the taxpayers of Ventura County.

Why are you not addressing the waste in the current system of over \$1 million spent on 300,000 ballots mailed during the primary, with plans to do it again?

In a budget crisis, where is the oversight? ? Taxpayer funds are being misused, and it's the Board's responsibility to stop it!

Where is the audit and why isn't the Board taking action?

With All Sincerity,

Dr.Steven Alff
