

Exhibit 3

ii. Use of CA Abatement Accounts Funds

- a) The CA Abatement Accounts Funds will be used for future Opioid Remediation in one or more of the areas described in the List of Opioid Remediation Uses, which is Exhibit E to the Distributor Settlement Agreement.
- b) In addition to this requirement, no less than 50% of the funds received by a CA Participating Subdivision from the Abatement Accounts Fund in each calendar year will be used for one or more of the following High Impact Abatement Activities:
 - (1) the provision of matching funds or operating costs for substance use disorder facilities within the Behavioral Health Continuum Infrastructure Program;
 - (2) creating new or expanded Substance Use Disorder (“SUD”) treatment infrastructure;
 - (3) addressing the needs of communities of color and vulnerable populations (including sheltered and unsheltered homeless populations) that are disproportionately impacted by SUD;
 - (4) diversion of people with SUD from the justice system into treatment, including by providing training and resources to first and early responders (sworn and non-sworn) and implementing best practices for outreach, diversion and deflection, employability, restorative justice, and harm reduction; and/or
 - (5) interventions to prevent drug addiction in vulnerable youth.
- c) The California Department of Health Care Services (“DHCS”) may add to this list (but not delete from it) by designating additional High Impact Abatement Activities. DHCS will make reasonable efforts to consult with stakeholders, including the CA Participating Subdivisions, before adding additional High Impact Abatement Activities to this list.
- d) For the avoidance of doubt, and subject to the requirements of the Distributor Settlement Agreement and applicable law, CA Participating Subdivisions may form agreements or ventures, or otherwise work in collaboration with, federal, state, local, tribal or private sector entities in pursuing Opioid Remediation activities funded from the CA Abatement Accounts Fund. Further, provided that all CA Abatement Accounts Funds are used for Opioid Remediation consistent with the Distributor Settlement Agreement and this CA Distributor Allocation Agreement, a county and any cities or towns within the county may agree to reallocate their respective shares of the CA Abatement Accounts Funds among themselves, provided that any direct distribution may only be to a CA Participating Subdivision and any CA Participating Subdivision must agree to their share being reallocated.
