2023 Market Area Rate Study

INTRODUCTION

The purpose of the Market Area Rate Study (MARS) is to establish the calendar year 2024 maximum allowable gate rate (i.e., tipping fee) at the Simi Valley Landfill & Recycling Center (SVL&RC), located just north of both the 118 freeway and the City of Simi Valley in the unincorporated area of Ventura County, as shown on Exhibit A (SVL&RC Location Map).

BACKGROUND

The SVL&RC is wholly owned and operated by Waste Management of California, Inc. (WM). On March 20, 2012, the Ventura County Board of Supervisors approved the *Amended and Restated Agreement for the Operation and Closure of the Simi Valley Landfill and Recycling Center* (Agreement) between WM and the County of Ventura. One component of this Agreement outlines the use of an annual MARS to establish the maximum allowable gate rate at the SVL&RC for the upcoming calendar year utilizing the methodology described below.

METHODOLOGY: THE FOLLOWING TASKS WERE COMPLETED IN PREPARING THE 2023 MARS

Task 1 – Pursuant to Section 4.3.3. of the Agreement, the names of 27 active municipal solid waste landfills within a designated geographical area of California were determined, as shown in Exhibit C (Geographical Map of Market Index Landfills); this compilation of landfills is referred to as the Market Index. The Solid Waste Information System (SWIS) database of the California Department of Resources Recycling and Recovery (CalRecycle) was used to verify the permitted active disposal sites within each applicable county. Those lists were pared to include only landfills located within the designated geographical area which accept municipal solid waste from the general public; for example, landfills serving only their private owners or military bases are excluded.

As in past years, one landfill on the resulting list was further studied and subsequently pared from the list. The California Street Landfill does not have a Posted Gate Rate and has not been included in the MARS since 2002. More information is provided in the Notes accompanying Table 1.

Compared to the 2022 MARS, no new landfills were opened, and no existing landfills were closed. Therefore, the number of landfills in the Market Index remains at 27.

Task 2 – The Market Index was updated to reflect publicly owned or operated and WM-owned or operated landfills. The CalRecycle website was utilized for collecting information about WM's subsidiaries. The percentages of publicly-owned or operated and WM owned or operated landfills were calculated and compared to threshold levels stated in the Agreement between the County of Ventura and WM. The percentages

were less than the threshold levels; therefore, no adjustment of the Market Index is needed.

Task 3 – The Posted Gate Rate for each landfill in the Market Index was determined to satisfy the purpose of this study. For the purposes of the study, the Posted Gate Rate is the standard gate rate for disposal of municipal solid waste (also referred to as general refuse, uncompacted waste, routine refuse, general debris, etc.) on a per ton basis, including taxes and fees, effective July 1, 2023. The study did not consider rates for special wastes, hard-to-handle loads and similar classifications.

For each landfill, rate sheets and additional documentation were obtained from the landfill operator by fax, website, and/or email. When information on landfill websites was not clear with regard to the effective date, the landfill operator was contacted by telephone to verify accuracy of rates shown on the website.

Task 4 – The information obtained or determined in Tasks 1, 2, and 3 is presented in this report. Table 1 summarizes each landfill in the Market Index, the Owned or Operated information, and the Posted Landfill Gate Rates. Notes following the table provide additional details. Copies of the rate documentation are included in Exhibit D (Posted Gate Rates for 27 Landfills within Study Area as of July 1, 2023).

2023 SVL&RC GATE RATE AND LANDFILL RATES

The current SVL&RC gate rate and schedule of all other posted rates, effective July 1, 2023 are provided as Exhibit B (SVL&RC Rate Schedule as of January 1, 2023).

PROPOSED 2024 MAXIMUM GATE RATE AT SVL&RC

Utilizing the posted landfill gate rates as of July 1, 2023, as shown in Table 1, the Mean Market Rate is \$76.07 per ton, an increase of 4.90% (\$3.55/ton) relative to the 2022 Mean Market Rate of \$72.52 per ton. The Posted Gate Rates from the 27 landfills within the study area ranged from \$45.06 per ton to \$117.46 per ton. To determine the Mean Market Rate, the posted gate rate of each of the 27 landfills within the study area was obtained or calculated from rate documentation provided by the landfill operator and used to calculate the mean of the 27 landfill gate rates as of July 1, 2023 (Exhibit D). Table 1 and the accompanying notes provide further information.

Based upon the Mean Market Rate determination in this study, the maximum allowable gate rate (i.e., tipping fee) at the SVL&RC for municipal solid waste originating in Ventura County, or outside of California, for calendar year 2024 is \$83.67, calculated from the sum total of the Mean Market Rate (\$76.07) plus the “Ventura County” Market Rate Variance (5% of MARS-determined Mean Market Rate, \$3.80/ton) and the County Surcharge of \$3.80/ton (also 5% of the MARS-determined Mean Market Rate). The maximum allowable gate rate (i.e., tipping fee) at the SVL&RC for municipal solid waste originating outside of Ventura County, and within California, for calendar year 2024 is \$87.48, calculated from the sum total of the Mean Market Rate (\$76.07) plus the “Non-Ventura County” Market Rate Variance (10% of MARS-determined Mean Market Rate, \$7.61) and the County Surcharge of \$3.80/ton (5% of the MARS-determined Mean Market Rate).

For all other 2024 rates at the SVL&RC, this Study has no effect as those rates are established by a separate process in which WM submits an Annual Report to the County no later than September 1 of each year; within the context of the Annual Report, WM may propose changes to any rate, other than the maximum allowable gate rate, at the SVL&RC for calendar year 2024. Upon receipt of the Annual Report, the County must review all proposed rates no later than October 1st and respond to WM via a rate approval letter no later than October 15th.

Table 1 – Market Index and Mean Market Rate

Table 1 Accompanying Notes

1. The Inventory of Active Municipal Solid Waste Landfills within the designated geographical area as of July 1, 2023, except those that serve only their private owners, military bases, and as explained in Note (2). Landfill names are pursuant to the CalRecycle website SWIS database.
2. California Street Landfill is an active municipal solid waste landfill as of July 1, 2023 and is within the designated geographical area. However, it is not included in the Inventory because there is no Posted Gate Rate, as explained below. The site has not been included in the Inventory since inception in 2002.

As verified June 29, 2023 by Louie Miranda, Solid Waste Manager for the City's Quality of Life Department, the landfill is located in, and is operated by, the City of Redlands. In general, the City accepts waste only from their own collection vehicles. Because no other waste is imported or accepted from the public or other haulers, there is no Posted Gate Rate.

3. No new landfills have been added to this study and none of the existing landfills have been closed or removed. The number of landfills in the Market Index remains at 27.
4. Determination of whether the facility is publicly-owned or operated is pursuant to the CalRecycle website database. If the facility is owned or operated, or both, by a public entity, then "Yes" is shown; if the facility is neither owned nor operated by a public entity, then "No" is shown.
5. Determination of whether the facility is owned or operated by Waste Management is pursuant to the CalRecycle website database, supplemented by public knowledge of subsidiaries. If the facility is owned or operated, or both, by Waste Management, then "Yes" is shown. If the facility is neither owned nor operated by Waste Management, then "No" is shown.
6. For purposes of this study, the Posted Gate Rate is the standard gate rate for disposal of municipal solid waste (also referred to as general refuse, uncompacted waste, routine refuse, general debris, etc.) on a per ton basis, including all taxes and fees. For each landfill, rate sheets or similar documentation were obtained from the landfill operator by fax, website, and/or email. When information on websites was not clear, with regard to the effective date, the operator was contacted by telephone or email to verify rates shown on the website were correct for July 1, 2023. Refer to additional notes for special cases.
7. For the purpose of this study, Antelope Valley Public Landfill I (SWIS Number 19-AA-0009) is considered the same landfill as Antelope Valley Public Landfill II (SWIS Number 19-AA-5624). The SWIS database shows they have the same location, operator/business owner, and landowner.
8. For Antelope Valley Public Landfill I & II, the Posted Gate Rate is \$84.44 per ton for "Solid Waste - MSW" plus a 11.18% Fuel Surcharge (average rate over a one year period). The base rate is documented in a rate sheet. The Fuel Surcharge percentage is documented in a historical summary sheet from the operator, Waste Management, per email dated June 28, 2023 from Heather Peters, Scalehouse Supervisor. An Environmental Fee per load, also indicated on the rate sheet, is not included because that fee is not applied on a "per ton" basis.
9. For Burbank Landfill No. 3, the rate is the fee charged to internal City departments and

the school district only. The landfill is not open to the public. Rates were confirmed by email dated June 20, 2023, by City of Burbank staff, Stephanie Kandt.

10. For Chicago Grade Landfill, the Posted Gate Rate remains unchanged at \$67.00, confirmed by email dated June 29, 2023, by Dannette Fieguth, Site Manager.
11. For Cold Canyon Landfill, the Posted Gate Rate is \$90.00, confirmed by email dated June 16, 2023, by Anna Lopez, Accounts Receivable staff at the landfill.
12. For Lancaster Landfill, the Posted Gate Rate is \$88.43 per ton for “Solid Waste - MSW” plus a 11.18% Fuel Surcharge (average rate over a one-year period). The base rate is documented in a rate sheet. The Fuel Surcharge percentage is documented in a historical summary sheet from the operator, Waste Management, per email dated June 28, 2023 from Heather Peters, Scalehouse Supervisor. An Environmental Fee per load, also indicated on the rate sheet, is not included because that fee is not applied on a “per ton” basis.
13. For the City of Lompoc Landfill, the Posted Gate Rate will be \$100.00, inclusive of a “State Recycle Fee” and a “County Inspection Fee,” confirmed by email dated June 16, 2023, by Steve Clark, Solid Waste Compliance Coordinator for City of Lompoc.
14. For Mid-Valley Sanitary Landfill and San Timoteo Sanitary Landfill, the Posted Gate Rate will be \$48.80, along with a “Comprehensive Disposal Onsite Diversion Program Fee” of \$12/ton and a “Perchlorate Fee” of \$.69/ton. This data was confirmed by email dated June 22, 2023, by Suzan Garrido, Staff Analyst for San Bernardino County, Public Works.
15. For Otay Landfill and Sycamore Landfill, the Posted Gate Rate, effective 1/01/23 remains unchanged at \$105.00 per ton for “General Refuse” plus an average 11.87% Fuel Recovery Fee. The base rate is documented in a rate sheet. The Fuel Recovery Fee percentage is documented in an email dated June 22, 2023, from Estrella Salazar, Republic Services, Division Accountant. An Environmental Fee per load, also indicated on the rate sheet, is not included because that fee is not applied on a “per ton” basis.
16. For Paso Robles Landfill, the Posted Gate Rate, effective 7/01/22, will remain unchanged at \$63.00, confirmed by email dated June 16, 2023, by Diane Strang, staff in the Water, Wastewater and Streets Division at the City of Paso Robles.
17. For Santa Maria Landfill, the Posted Gate Rate remains unchanged at \$79.00, confirmed by email dated June 26, 2023, by Jennifer Alvarado, Utilities – Finance Services staff.
18. For Savage Canyon Landfill, the Posted Gate Rate will be \$57.30, effective 7/01/23, confirmed by email dated June 28, 2023, by Leon Vasquez, Public Works Management Analyst for City of Whittier.
19. Sunshine Canyon City/County Landfill (SWIS Number 19-AA-2000) was formerly designated Sunshine Canyon SLF County Extension (SWIS Number 19-AA-0853) as well as Sunshine Canyon City Landfill Unit 2 (SWIS Number 19-AR-0002 Unit 02).
20. For Sunshine Canyon City/County Landfill, the Posted Gate Rate, effective July 1, 2022, remains unchanged at \$98.09 per ton for “Municipal Waste / Construction & Demolition” plus a 12.46% Fuel Recovery Fee. The base rate is documented in a rate sheet emailed

dated June 20, 2023 from Richard Blatz, Billing Coordinator at the landfill. Richard also confirmed the Fuel Recovery Fees over the past year. The average Fuel Recovery Fee (FRF) was obtained by taking the average of all FRFs. An Environmental Fee per load, also indicated on the rate sheet, is not included because that fee is not applied on a “per ton” basis.

21. For Tajiguas Sanitary Landfill, the Posted Gate Rate will be \$115.00/ton, effective 7/01/23, per an email dated June 20, 2023, by Marc Hill, staff with the County of Santa Barbara.
22. For the Toland Road Landfill, the new Posted Gate Rate, effective 7/1/23, is \$45.06, confirmed by email dated June 21, 2023, by Richard Jones, Director of Operations at Ventura Regional Sanitation District.
23. For the West Miramar Landfill, the Posted Gate Rate will be \$85.00/ton, effective 7/01/23, per an email dated June 26, 2023, by Matthew Cleary, Assistant Director of the Environmental Services Department for the City of San Diego. This MSW rate is from the category “Weighed Loads - Non-City Waste.” For the current study, this category was selected on the basis that it is most similar to the selected rate category of other landfills and meets the purpose of the study.

Service and Fee Schedule

Disposal Materials*	Ventura County (or outside CA)	Non-Ventura County (within CA)**
Municipal Solid Waste (MSW)	\$79.40 per ton	\$83.40 per ton
MSW - Transfer Trailers	\$74.25 per ton	\$78.25 per ton
MSW - Pick-up trucks to height of cab or trailers 8 feet and under***	\$51.00 per load	\$55.00 per load
MSW - Cars up to 500 lbs.	\$31.00 min.	\$35.00 min.
Recycling Materials*		
Construction & Demolition (C&D) for Processing	\$95.50 per ton	\$99.50 per ton
C&D - Pick-up trucks to height of cab or trailers 8 feet and under***	\$66.25 per ton	\$69.25 per ton
C&D - Cars up to 500 lbs.	\$45.75 per load	\$48.75 per load
C&D Certification	+\$13.50 per ton	+\$13.50 per ton
Asphalt (clean only)	\$38.00 per ton	\$41.00 per ton
Concrete (clean only)	\$37.75 per ton	\$41.25 per ton
Dirt (clean only)	\$35.50 per ton	\$38.50 per ton
Food Waste	\$122.50 per ton	\$132.50 per ton
Greenwaste and Wood	\$79.40 per ton	\$83.40 per ton
Greenwaste and Wood - Pick-up trucks to height of cab or trailers 8 feet and under***	\$51.00 per load	\$55.00 per load
Special Handling Waste* <i>Requires Pre-Approval</i>		
Drums	\$125.00 ea.	\$125.00 ea.
Industrial, Process, Sewage Sludge	\$82.50 per ton	\$86.50 per ton
Non-Friable Asbestos	\$165.00 per ton	\$175.00 per ton
Preservative Treated Wood	\$97.50 per ton	\$105.00 per ton
Treated Medical Waste	\$97.50 per ton	\$105.00 per ton
Other Materials*		
Appliances	\$22.00 ea.	\$22.00 ea.
Dead Livestock	\$151.50 ea.	\$151.50 ea.
Hard-to-handle items (case by case basis)	\$115 - \$300 ea.	\$115 - \$300 ea.
Tires: Motorcycle/Passenger/Pick-up truck	\$13.00 ea.	\$13.00 ea.
Tires: Large Truck	\$35.50 ea.	\$35.50 ea.
Tires: Off-Road/Heavy Equipment	\$270.00 ea.	\$270.00 ea.
Vehicle Weights Only	\$13.50 ea.	\$13.50 ea.

Non-Acceptable Materials

All hazardous materials are prohibited including but not limited to:

- Automotive bodies and fluids (fuel, antifreeze, oils)
- Batteries
- Biological/Medical Waste
- Chemicals of any kind (pool, pesticides, weed killer)
- Electronic Waste of any kind
- Empty Containers (that may have contained or have contained hazardous materials)
- Fluorescent Light Tubes and Ballasts
- Liquids
- Paint, lacquer, stain, thinner, varnish and wood preservatives
- Radioactive Materials
- Septic Tank or Chemical Toilet Waste
- Universal Waste
- Water-Soluble Solids (salts, borax, lye, caustics/acids)

All Ventura County customers exceeding one (1) ton (excluding local jurisdiction Contract Collectors) will be required to fill out a "Waste Origin Reporting Form." State law requires all loads to be securely covered.

* CIWMP of \$.05 per ton collected on all disposed tons, excluding waste collected from Contract Collectors with any Ventura County jurisdiction.

** Non-Ventura County materials originating within California.

*** Per ton charge will apply if any minimum vehicle exceeds one (1) ton.

For information about the proper disposal of prohibited materials, household hazardous waste collection events and other waste and recycling services, please contact your local waste hauler, City or County.

Location:

2801 N. Madera Road, Simi Valley, CA 93065
(805) 579-7267 Fax (805) 579-7482

Hours of Operation

Monday - Saturday 7:00 a.m. - 4:00 p.m.
3rd Sunday of each month 10:00 a.m. - 4:00 p.m.
All vehicles must be unloaded by 4:30 p.m. Mon. - Sat.
No refunds for partially unloaded vehicles.

Payment Information

Credit or Debit Cards only, no cash or checks
There is a one (1) ton minimum on all per ton charges.
To open an account, call (805) 579-7267. Volume discounts available by contract.

For all inquiries, contact the District Manager.

*We reserve the right to refuse any load.
Please adhere to all safety guidelines at
Waste Management's facility.*

**El Sobrante Landfill
Lamb Canyon Sanitary Landfill**

Posted Landfill Gate Rate as of July 1, 2023

**APPENDIX A TO RIVERSIDE COUNTY ORDINANCE NO. 779.24
SCHEDULE OF WASTE DISPOSAL FEES
FOR
RIVERSIDE COUNTY DEPARTMENT OF WASTE RESOURCES
Effective July 1, 2023**

The following gate fees will be applicable at
Badlands, Blythe, Lamb Canyon, and El Sobrante Landfills and Idyllwild Grinding Facility

WASTE GROUP DESCRIPTIONS	RATE
1. Direct Haul/Non-Contracted - Routine	\$ 49.75 /ton*
2. Direct Haul/Non-Contracted - Hard to Handle	
a) All End Dump Vehicles	\$ 66.34 /ton*
b) Any Load Requiring Immediate Burial or Special Handling	\$ 66.34 /ton*
3. Clean Green Waste (less than 1% contamination) - Lamb Canyon Landfill Only	\$ 44.75 /ton*
a) Acceptable: Grass, tree trimmings, bushes	
b) Unacceptable: Sod, soil, cactus, yucca, tumbleweeds, lumber/wood, concrete, glass, plastic, metal, trash, palm fronds.	
c) Processed (Ground) Green Material - Commercial/Franchised Solid Waste Haulers Only - Badlands, Lamb Canyon Only	\$ 15.00 /ton
4. Flat Rate Vehicles**	
a) Routine Refuse	
i) Cars/Sedans/Van/SUV	\$ 15.00 /load
ii) Pickup Truck or Trailer (Up to 8ft bed)	\$ 15.00 /load
iii) Pickup Truck and Trailer (Up to 8ft bed, up to 4ft high)	\$ 41.00 /load
b) Hard to Handle	
i) Cars/Sedans/Van/SUV	\$ 20.00 /load
ii) Pickup Truck or Trailer (Up to 8ft bed)	\$ 20.00 /load
iii) Pickup Truck and Trailer (Up to 8ft bed, up to 4ft high)	\$ 54.00 /load
c) Mixed Green	
i) Cars/Sedans/Van/SUV	\$ 19.00 /load
ii) Pickup Truck or Trailer (Up to 8ft bed)	\$ 19.00 /load
iii) Pickup Truck and Trailer (Up to 8ft bed, up to 4ft high)	\$ 50.00 /load
d) Clean Green (less than 1% contamination) - Lamb Canyon Landfill Only	
i) Cars/Sedans/Van/SUV	\$ 14.00 /load
ii) Pickup Truck or Trailer (Up to 8ft bed)	\$ 14.00 /load
iii) Pickup Truck and Trailer (Up to 8ft bed, up to 4ft high)	\$ 35.00 /load
5. Minimum Load Fees (Applies to All Non Flat Rate Vehicle Types)	
a) Routine Refuse (.81 tons or less)	\$ 41.00 /load
b) Hard-to-Handle Refuse (.81 tons or less)	\$ 54.00 /load
c) Mixed Green Refuse (.81 tons or less)	\$ 50.00 /load
d) Clean Green (.81 tons or less)	\$ 35.00 /load
6. Surcharges (added to the charges listed herein):	
a) Passenger/Light Duty Truck Tires From Residential Customers Only. No oversized or semi-truck tires. Limited to Five (5) Tires Per Residential Customer Per Day.	\$ 6.00 /tire
b) Per Uncovered/Unsecured Load of Refuse Which Has Exposed Material Which in the Opinion of the General Manager-Chief Engineer or His/Her Designee May Litter Roadways to the Landfill or Along Landfill Roads to the Dumping Pad. Load must arrive to the scale covered and/or tied/strapped down. Customer may not cover or tie/strap their load at the scale to avoid paying the surcharge.	\$ 25.00 /load

Burbank Landfill Site No. 3 c

Landfill Gate Rate as of July 1, 2023

Hi Lisa,

I included Mary Doyle here, who is now handling these types of items, so you can include her next year just in case.

We had a 6% increase for fiscal year 2023/2024, so the only change is the disposal rate:

1. Is the landfill open to only limited customers (i.e. refuse haulers and specific jurisdictions), and not to the general public? **Landfill is closed to the public—only open to City of Burbank departments & the Burbank Unified School District.**
2. Is the landfill owned or operated publicly? **The landfill is City (municipality) owned and operated.**
3. Is the landfill owned or operated by Waste Management? **No.**
4. What will the disposal gate rate be for the landfill, effective July 1, 2023? **The landfill tipping fee is \$50.88 per ton, and greenwaste tipping fee is \$65.05 per ton**
5. Are there any other fees associated with the disposal fee (i.e fuel surcharge)? **No.**

Thanks,
Stephanie

San Timoteo Sanitary Landfill

Posted Landfill Gate Rate as of July 1, 2023

Hi Lisa,

I apologize for the delay in my response. I saw something incorrect and wanted to confirm the information with our fiscal group.

For our gate rate fiscal has stated we should put \$48.80, but then for your question 5, we add a comprehensive disposal on site diversion program fee of \$12 per ton and a \$.69 per ton perchlorate fee for a total of \$61.49.

All the other answers remain the same.

Otay Landfill k
Sycamore Sanitary Landfill

Posted Landfill Gate Rate as of July 1, 2023

GENERAL

Flat rates are set for passenger vehicles, pickup trucks, and trailers at all landfills. For all other vehicles, rates are based on the actual weight of waste delivered to Otay and Sycamore Landfills. Scales are not available at Borrego Landfill; therefore, weight is based on vehicle size and types.

LANDFILL RATES*

General Refuse (Residential, Commercial, Industrial, Demolition)	\$105 per ton (Minimum \$59)
Hard-to-Handle (Concrete, Stumps, Poles, Mattresses)	\$105 per ton + \$70 Handling Fee per load
Approved Special Waste (Impacted Soil, Non-Friable Asbestos, Treated Wood)	Call for Pricing (Minimum \$350)
Base Material: Clean Concrete/Dirt/Asphalt (Sycamore Only)	\$62 per ton (Minimum \$51)
Green Waste—Clean Brush, Sod and Wood Waste	\$65 per ton (Minimum \$57)
Tires—Shredded (Otay and Sycamore Only)	\$106 per ton (Minimum \$106)
Tires—Whole Passenger or Truck Size (Otay Only)	\$28 per tire or \$562 per ton (Minimum \$106)
	Refuse OR Green Waste
Passenger Vehicles/Mini-Vans	\$46 per load
Cargo Vans/Pick-up Trucks (Full or Mini/Standard Bed)	\$61 per load
Modified Pick-up Trucks (Any Modifications That Increase Load Capacity)	\$100 per load
Less Than or Equal to 8' Trailer (Standard Bed = 5' wide x 4' high)	\$61 per load
8' to 12' Trailer (Standard Bed = 5' wide x 4' high)	\$113 per load
Greater Than 12' Trailer (Standard Bed = 5' wide x 4' high)	\$164 per load

*Rates are Subject to Change. All fees, taxes, and surcharges will be added to disposal rates quoted above. In the event that any vehicle or trailer does not conform to the description or intent of vehicles qualifying for set rate fees, the Site Manager or designee has the authority to change the vehicle weight.

ADMINISTRATIVE FEES:

Hard to Handle Fee	\$65.00 per load	Hard Hats	\$8.00 each
Tarps	\$25.00 each	Environmental Fee**	\$19.71 per load
Disposal Certifications	\$55.00 each	Fuel Recovery Fee***	Percentage
(Load Destruction, Burial Certificates)			Calculated on Invoice Amount

**Environmental Fee: A fraction of the cost incurred to meet environmental compliance requirements.
 ***Fuel Recovery Fee: The Fuel Recovery Fee is a percentage of the invoiced amount. The percentage reflects a portion of the company's average cost of diesel fuel. The month-to-month change in the average price of diesel fuel is used to update our fuel recovery fee. You can find out more about average fuel prices from the U.S. government published average diesel fuel prices via a website operated by the U.S. Department of Energy, Energy Information Administration. You can visit their website at eia.doe.gov.

RECOVERY FEE**

The Fuel Recovery Fee percentage will be updated on Inside Republic around the 15th of each month.

Year	Invoice Dated Month	Fuel Recovery Fee (FRF)	Environmental Fee
2022	Jul-15th	14.73%	\$18.00 per load
2022	Aug-15th	13.62%	\$18.00 per load
2022	Sep-15th	12.72%	\$19.71 per load
2022	Oct-15th	13.01%	\$19.71 per load
2022	Nov-15th	13.36%	\$19.71 per load
2022	Dec-15th	13.04%	\$19.71 per load
2023	Jan-15th	11.21%	\$19.71 per load
2023	Feb-15th	11.27%	\$19.71 per load
2023	Mar-15th	10.57%	\$19.71 per load
2023	Apr-15th	10.02%	\$19.71 per load
2023	May-15th	9.82%	\$19.71 per load
2023	Jun-15th	9.12%	\$19.71 per load

Average FRF: 11.87%

Please note a customer may have any 4 different invoice combinations:

- 1) A customer may be assessed only the Fuel Recovery Fee.
- 2) A customer may be assessed only the Environmental Fee.
- 3) A customer may be assessed both the Fuel Recovery and Environmental Fee.
- 4) A customer may not be assessed any fee at all.

Please refer to the customer account in the billing system for status of recovery fees.

The Fuel Recovery Fee will fluctuate based on the **Weekly Retail On-Highway Diesel Prices** this can be found at the following web site <http://www.eia.doe.gov/> .

Paso Robles Landfill, City of I

Posted Landfill Gate Rate as of July 1, 2023

Landfill
