Dear Board of Supervisors,

As a long term resident of Ventura County (I've lived here since I was 4 - in 1979!) I'm appalled by the proposal to give in to Big Oil. Please reject this Oil Settlement and defend our 2040 General Plan. Our community's integrity, health and voices are at stake.

Allowing Big Oil to self regulate - to decide for themselves the feasibility of protecting people and environment over profits - has resulted in the climate crises we are now facing. Do not allow this to continue.

Vote NO on Agenda Item 66

Thank you,

Melissa Henry
