The Annual Action Plan provides an explanation on how the funds are meeting the goals of the five-year Consolidated Plan. Funded projects may be reviewed at the CEO's Community Development Division's website: https://www.ventura.org/county-executive-office/community-development/hud-plans-reports/</p> <p>The County also administers several State grants (PLHA, CDBG-DR, CDBG-CV, NPLH, and Homekey) and County General Funds for housing development throughout Ventura County. A summary of the various housing projects that these grants have funded throughout the county between 2020-2023 can be found here: https://vcportal.ventura.org/CEO/community-dev/docs/Affordable%20Housing%20Projects%20%26%20Funding%20Sources%20%28May%202023%29.pdf</p> <p>The following projects located in unincorporated County were funded between 2020-2024 utilizing multiple rounds of local, State and federal grant funding:</p> <ul style="list-style-type: none"> -Mesa Farm: 8.2 million (Homekey, County General Funds, ARPA, and PLHA) -Rancho Sierra: 7.4 million (PLHA, HOME, and No Place like Home) -Casa Pacifica: 6.5 million (Homekey and County General Fund) -Camino de Salud: \$955,000 (PLHA) <p>Starting with the 2025-2026 funding cycle, the scoring criteria for HOME and PLHA funds were updated to prioritize projects that are located in high resource areas as identified in HCD/TCAC Opportunity Maps. High resource areas offer low-income children and adults the best chance at economic advancement, high educational attainment and good physical and mental health.</p>
HE-B - Mobilehome Park Rent Control	<p>The Planning Division will continue the Mobilehome Park Rent Review Program, including quarterly public hearings of the Mobilehome Park Rent Review Board, to assure that the amount of rent charged at mobilehome parks does not increase more than the amount set forth in the Mobilehome Park Rent Control Ordinance.</p> <p>In implementing this program, the County is protecting affordable housing options (15 mobilehome parks with 1,042 mobilehome spaces) in high opportunity areas and furthering fair housing.</p>	Annually	<p>In 2024, 18 requests for rent increases were processed by Planning Division staff. The resulting rent increases were maintained pursuant to the Mobilehome Rent Control Ordinance mandated limitations for percentage increases, and no appeals were granted. In addition, three meetings of the Mobile Home Park Rent Review Board were held, providing opportunities for mobile home park residents to raise any concerns. The program webpage was updated with additional resources for the public and revised rent increase application materials to clarify the application process. The Planning Division will continue the Mobilehome Rent Review Program, including holding quarterly public hearings of the Mobile Home Park Rent Review Board.</p>
HE-C - ADU Homeowner Tools	<p>To affirmatively further fair housing and increase lower- and moderate-income homeowners' access to ADUs/JADUs and minimize barriers, the County will develop homeowner website education tools and public information in English and Spanish to make the zoning and permitting process more user-friendly, to highlight the advantages of investing in an ADU, and to make available free building plans for ADUs or farmworker dwelling units.</p> <p>In implementing this program, the County is supporting homeowners with tools and translated information to achieve the target production of 560 ADUs and JADUs by 2029.</p>	August 2022	<p>Program HE-C was initiated by the Planning Division in 2021. Planning Division staff currently maintains a website to provide accurate regulatory information related to ADUs and JADUs (https://vcrma.org/accessory-dwelling-unit-permits/). In 2023, the County Board of Supervisors adopted comprehensive updates to the Non-Coastal Zoning Ordinance to align the ADU/JADU regulations with State law. Following adoption, HCD requested revisions to certain provisions within the ordinance for consistency with State guidance. In 2024, staff revised the Non-Coastal Zoning Ordinance, and presented it to the Planning Commission on April 4, 2024, and to the Board of Supervisors on June 4, 2024. Following Board adoption, the revised ADU ordinance was sent to HCD for review. On January 10, 2025, the Planning Division received notice from HCD that the ADU ordinance is compliant with State law. The Planning Division anticipates initiating similar amendments to the Coastal Zoning Ordinance in 2025.</p> <p>Staff anticipates updating the Planning Division website and making the above-mentioned resources for homeowners available in English and Spanish in 2025.</p> <p>In addition, staff worked with, and provided information to, the Ventura County Council of Governments for a comprehensive ADU website (https://housingsocal.org/), including helpful resources such as an ADU cost calculator, that will be used by all jurisdictions within Ventura County</p>

HE-D - Infrastructure Constraints	<p>The County shall convene all stakeholders, agencies, and service providers in a forum to discuss the policies that impact infrastructure necessary for housing development. The purpose of the discussion would be to identify constraints and solutions in providing water, sewer services, and dry utilities for housing.</p> <p>As Area Plans are updated, especially in designated disadvantaged communities, the County shall apply for funding as funding sources are available from the Community Development Block Grant, Infill Infrastructure Grant Program, or other funding programs as available, to fund infrastructure design plans and infrastructure construction improvements supporting residential development in designated disadvantaged communities.</p> <p>The County's Land Use and Community Character Element identifies the El Rio/Del Norte Area, a designated disadvantaged community, to be updated first and will assist in planning appropriate infrastructure for at least 179 multifamily units identified in the Sites Inventory, Background Report Appendix 5.A. Additionally, the County has been approved for \$300,000 in State Local Early Action Planning grant funds for various projects, one of which is to facilitate the El Rio/Del Norte Area Plan update.</p> <p>The Saticoy Sanitary District serves the unincorporated area of Saticoy, a designated disadvantaged community serving approximately 262 households. As part of the 2013-2021 Housing Element Cycle, approximately \$500,000 in CDBG funds was awarded to the Saticoy Sanitary District to remediate aging infrastructure and ensure reliable operation and processing of wastewater. The County shall distribute funding in the 2021-2029 Housing Element during two fiscal years through 2022.</p>	<p>Stakeholders, Agencies, and Service Providers Forum 2023;</p> <p>Ongoing</p> <p>North Ventura Avenue and Ojai Valley Area Plan Update (2025-2029)</p> <p>El Rio/ Del Norte Area Plan Update (December 2024)</p>	<p>Planning Division staff initiated the Countywide infrastructure forum in May 2023, which addressed a portion of Program HE-D, and executed a contract with a consultant for organizing and facilitating the forum. Throughout 2023, staff conducted outreach with key stakeholders including Ventura County Local Agency Formation Commission (LAFCo), local water providers, County sewer and sanitary service providers, affordable housing developers, dry utilities, and cities which have County housing element sites in their sphere of influence. Staff held a series of stakeholder engagement meetings to gather initial input on constraints to services required for housing development on parcels included in the 2021-2029 Housing Element Sites Inventory.</p> <p>These meetings provided a focused setting to guide the discussion for the Countywide infrastructure forum held on March 12, 2024. Attendees included representatives from all stakeholders listed above. The forum included breakout sessions discussing key constraints to infrastructure, and brainstormed potential solutions that would facilitate future housing development. The consultant compiled a summary report including notes from the stakeholder engagement meetings and forum discussions. Resulting from the feedback provided by local water service providers at the forum, staff plans to incorporate certain suggestions for proposed ordinance amendments as part of Program HE-H - to expand the use of private water connections and improve storage options for water purveyors adjacent to or within the Residential High Density (RHD) zone. Results from the forum were also utilized while updating the background report for the El Rio/Del Norte Area Plan (summarized below).</p> <p>In July 2022, Planning Division staff initiated the El Rio/Del Norte Area Plan Update by utilizing LEAP grant funds awarded to the County. Staff began developing the background report for the area plan to understand the baseline conditions of the community and develop a project scope for the work needing to be conducted. Drafting of the Background Report started in 2023 and concluded in 2024. As part of the Background Report, staff contracted a consultant to prepare a Water Infrastructure Technical Appendix that analyzes the existing infrastructure within the Area Plan and provides recommendations to address deficiencies that prevent the construction of residential units. The Background Report and associated Technical Appendix is anticipated to be circulated for public review and comment in Spring 2025.</p> <p>Following the distribution of the initial \$500,000 in funds throughout the two fiscal years in 2022, Saticoy Sanitary District (SSD) applied for and was awarded by the County an additional \$350,000 of CDBG funds as part of the 2023-2024 Annual Action Plan. The funds allocated as part of the Annual Action Plan assisted with completing the necessary repairs required by SSD to ensure reliable processing of wastewater within their service area. Furthermore, a Substantial Amendment to the 2023-24 Annual Action Plan was approved and \$800,000 was granted to complete Phase II of the project. Overall, the upgrades to SSD's wastewater system included drying area pad construction, rehabilitation of an odor controller and batch reactor and water delivery system remediation. SSD completed all of the work outlined in the project's scope in November 2024.</p>
HE-E - Farmworker Housing Study	<p>The County, working with advocacy groups, agricultural organizations and Ventura County cities, will:</p> <p>(1) take on a coordinating role to seek funding for, and to implement, a countywide survey of farmworkers, employers, and housing providers to further define housing conditions, needs and barriers to farmworker housing; and,</p> <p>(2) utilize the survey results to develop targeted programs and strategies to address the identified housing needs of farmworkers and to support agricultural businesses with a stable and healthy workforce.</p> <p>In implementing this program, the County shall strive to affirmatively further fair housing by providing housing opportunities (farmworker units or complexes) under the County's RHNA obligation and for both County and cities to provide services for the farmworker population throughout the County.</p>	December 2024	<p>Planning Division staff commenced Program HE-E in Fall 2021, along with project partners House Farm Workers!, a local nonprofit organization. The project is envisioned to be completed in five distinct phases by 2025, which are outlined on the project webpage at https://vcma.org/divisions/planning/ventura-county-farmworker-housing-study/. The project has been funded by several State grants (Regional Early Action Planning (REAP), Local Early Action Planning (LEAP), and Civic Engagement, Equity and Environmental Justice (SCP CEEJ)), a private UC Thelma Hansen grant, the County of Ventura, all ten incorporated cities, and Ventura County Transportation Commission (VCTC).</p> <p>Phases 1 and 2 (from Fall 2021 to April 2023) established an Advisory Council for the project of over 40 diverse farmworker housing stakeholders and contracted a team of consultants to develop and implement a countywide survey of the County's farmworkers, employers, and stakeholders (Phases 2-3). During Phase 2, the consultant team, along with the County and House Farm Workers!, and with guidance from the Advisory Council, designed a survey methodology, communications plan for the survey efforts, and designed a survey instrument for farmworker and employer surveys (including translations, and beta testing of the surveys).</p> <p>Phase 3 (from May 2023 to August 2024) resulted in the implementation of 40 employer surveys, 417 farmworker surveys, 11 stakeholder interviews, and a farmworker focus group outreach meeting in 2023. Notably, the farmworker surveys were implemented by the County's Farmworker Resource Program who provided options for survey responses in five languages. The focus group meeting conducted in October 2023, gathered responses on additional questions related to housing, transportation and social services from 34 farmworkers from all over the County. In 2024, the consultant team completed Phase 3 by preparing a Survey Summary Report which included the survey's findings. The report is available on the project website. Additionally, the County, all cities, and House Farm Workers! have conducted engagement at various events to provide information on the Survey Summary Report.</p> <p>In late 2023, the SCAG SCP-CEEJ Grant (\$499,991) was awarded to the Planning Division and House Farm Workers! to complete Phases 4-5 of the project (Preparation of a Countywide Farmworker Housing Study and Action Plan). This effort was delayed due to the budget cuts to REAP 2.0 announced in January 2024, which were re-established in Fall 2024. Phase 4 was initiated in 2024, where Planning Division staff and House Farm Workers! worked with SCAG to select a consultant team to complete Phases 4-5. These final two phases are now anticipated to be initiated by early 2025 and completed by Summer 2026.</p>

HE-F - Annual Progress Report	The County shall annually submit a report on the status of the Housing Element and progress in its implementation programs, using forms adopted by HCD pursuant to Government code Section 65400(a)(2). The reporting shall include: <ul style="list-style-type: none"> • List of housing development application received; • Annual building activity report; • RHNA progress; • If applicable, list of additional sites that will be identified or rezoned to accommodate a shortfall in housing need to meet "No Net Loss" requirements, pursuant to Government Code Section 65863; • Housing Element Programs implementation status; • If applicable, commercial development bonus approved pursuant to Government Code Section 65915.7; • List of County owned or controlled lands declared surplus pursuant to Government Code Section 54221, or identified as excess pursuant to Government Code Section 50569; and • LEAP grant reporting. 	Annually	<p>Planning Division staff initiated and submitted the annual progress report to address the new 6th cycle RHNA targets and the new programs adopted in the certified 2021-2029 Housing Element. Staff time was spent identifying the new reporting requirements mandated either through the 2021-2029 Housing Element or new State law.</p> <p>Since the beginning of the 6th cycle, the Planning Division has maintained a timely submittal of the APR providing the required information to HCD by the April 1st deadline each year. Notably, the submitted 2023 Annual Progress Report submitted to HCD on April 1, 2024, indicates that 465 new housing units were approved in 2023 in the unincorporated County (bringing the total count of new housing units up to 845). This total resulted in the County producing 67 percent of the housing units identified in the 2021-2029 Housing Element cycle and exceeding its allocation for lower-income housing units for the 6th cycle within the first two reporting years.</p> <p>Additionally, in 2024, Planning Division staff collaborated with representatives from CSUCI to obtain permitting information for the Anacapa Canyon development project on university owned land. The 2024 Annual Progress Report will include all units from the Anacapa Canyon development that received certificates of occupancy in 2024, which includes affordable senior apartments.</p> <p>In compliance with State law, the County will be submitting a 2024 Annual Progress Report with all necessary information requested in this program, by the April 1st deadline, after presenting it to the County Board of Supervisors.</p>
HE-G - RHNA Transfer Study	The County shall prepare and bring forward for the Board of Supervisor's consideration options for working with cities on a RHNA transfer program that would transfer a portion of the County's RHNA to a City when a residential project located within the City Sphere of Influence is approved and annexed into the City.	June 2025	This program has not yet been initiated. Planning Division staff anticipates that the project development phase will begin in 2025.
HE-H - RHD Zone Ordinance Amendments	Remove the requirement in the Non-Coastal Zoning Ordinance that housing in RHD zones be 100% affordable. The amendment shall be consistent with Government Code Section 65583.2.	December 2022	Program HE-H will revise the Non-Coastal Zoning Ordinance to remove the requirement that multifamily housing projects in the Residential High Density (RHD) Zone be 100% affordable and provide applicants an alternative means to comply with the RHD zone's affordability requirement. Due to staffing shortages and prioritization of other programs, this project was delayed. The draft ordinance amendment is currently being prepared and is anticipated to be presented to the Planning Commission and the Board of Supervisors by Summer 2025.
HE-I - Participation in Regional Planning Efforts	The County shall provide local demographic, zoning, and projected growth data to inform regional planning efforts led by the Southern California Association of Governments.	Ongoing	<p>The Planning Division implements this program, as needed and when prompted by planning efforts in the region. Within the SCAG region, County staff participates in Housing Working Group sessions and provides locally specific input when needed.</p> <p>In November 2024, the Mountain Fire destroyed several existing homes in the unincorporated county. Approximately 184 properties lost dwellings to the fire or had substantial damage to its dwellings. It is anticipated that the Planning Division will communicate relevant data on County efforts as it replaces these dwellings that were lost in the Mountain Fire. This data will be provided to SCAG, as requested.</p>
HE-J - Compliance with State Housing Laws and PD Permit Monitoring	<p>The Planning Division will continue to monitor new housing-related State legislation and amend the County General Plan, Coastal Area Plan and Zoning Ordinances to ensure consistency with State law.</p> <p>The Planning Division will also monitor the Planned Development Permit process requirements and processing time to ensure the process does not act as a constraint to housing production. If determined to be a constraint, the County will modify permit processing procedures as appropriate to facilitate housing production.</p>	<p>Ongoing;</p> <p>The 2025 Annual Progress Report will include an assessment on the progress of PDP approvals.</p>	<p>This program is implemented by the Planning Division on an ongoing basis. Several new housing bills were signed into law as part of the 2024 legislative package in September, some of which were effective in January 2025 (such as new laws pertaining to ADUs). The Planning Division works with the County's legal counsel to review recently effective legislation; discuss implementation, as needed with other County agencies and divisions; create and provide staff with training materials wherever necessary; and determine if any actions are required for compliance with the law.</p> <p>In December 2024, the Planning Division completed programs HE-M and HE-N, which bring the County's zoning ordinances in compliance with State housing law as it applies to density bonus and special needs housing (including those laws included in the 2024 legislative package).</p> <p>The Planned Development Permits are also monitored on an ongoing basis. The Planning Division includes these permits in the annual progress report each year. Noted in the program's implementation timeframe, the 2025 Annual Progress Report will include an assessment of the Division's approval of Planned Development Permits.</p>
HE-K - Inclusionary Housing and Housing Impact Mitigation Fee Assessment	The County shall explore options and analyze the effectiveness of implementing an Inclusionary Housing and Housing Impact Mitigation Fee Program and conduct a public hearing of the Board of Supervisors to present the results and receive direction on whether to proceed with processing such a program.	June 2024	This program has not yet been initiated by Planning Division staff due to staffing shortages and the prioritization of other programs. However, this assessment is anticipated to begin in Fall 2025.
HE-L - Fair Housing Program	<p>The County will continue to contract with the Housing Rights Center (HRC), a professional fair housing service organization, to provide services to ensure fair and equal housing opportunity. Some of the free services that HRC provides include landlord/tenant counseling, housing discrimination investigation, education on fair housing laws, as well as predatory lending information and referrals.</p> <p>Additionally, the County will continue to prepare an Assessment of Impediments (AI) to Fair Housing every five years and based on the recent findings from the 2020 AI, the County will be taking the following actions to affirmatively further fair housing:</p> <ul style="list-style-type: none"> • Implement additional outreach strategies to inform lower-income households of available local, State, and federal homebuyer assistance. • Expand testing for discriminatory practices in private rental and home sales markets. 	HRC submits a quarterly report to the County and a summary of the results are submitted to HUD for reporting purposes annually as part of the CAPER	<p>In 2024, the CEO Community Development Division continued their current contract with HRC to conduct four tests per year into potential discriminatory practices within the housing market. For their testing, HRC staff contacts a random apartment complex posing as both a "Protected Status Applicant" and a "Control Applicant" to compare the treatment and information provided to each potential tenant. The program has generally experienced delays in testing due to low vacancy rates in multifamily housing complexes in the unincorporated Ventura County.</p> <p>In 2024, out of the four tests contracted for HRC to perform, the Planning Division received two tests. One test was conducted in person, and the other over the phone. Both multifamily complexes tested demonstrated fair housing practices in their operations. If HRC continues to be unable to meet the testing criteria with available vacancies, staff may work with HRC to explore other ways to expand discrimination testing.</p>

HE-M - Density Bonus Ordinance Update	The County shall update the Density Bonus Ordinance to be consistent with State density bonus law.	December 2022	<p>COMPLETED: This program was completed by Planning Division staff and a consultant, Best, Best and Krieger, in 2024. The ordinance amendment updated the County's zoning ordinance for the non-coastal and coastal areas, to be consistent with State Density Bonus law. This amendment, along with the amendments addressing Program HE-N, was presented to and adopted by the Board of Supervisors on December 17, 2024.</p> <p>After adoption, the amendment to the Coastal Zoning Ordinance will be submitted to the Coastal Commission for review and certification. In 2025, staff will work with the Coastal Commission to address any modifications to the ordinance. It is anticipated that final certification by the Coastal Commission, and subsequent final adoption by the Board will be completed in 2025.</p>
HE-N - Zoning Code Amendment for Special Needs Housing	<p>The County shall amend the Non-Coastal and Coastal (if applicable) Zoning Ordinances to ensure compliance with State law as follows:</p> <ul style="list-style-type: none"> • Allow "low barrier navigation center" emergency shelters by right in mixed-use zones and nonresidential zones permitting multifamily uses; and, • Define supportive and transitional housing as set forth in Government Code Section 65582(g) and Health and Safety Code Section 50801(i), respectively, and allow for transitional and supportive housing as a residential use in all zones allowing residential uses, subject only to the requirements applied to other residential uses of the same type in the same zone. • Allow for residential care facilities of six or fewer to be regulated in the same manner as a single-family dwelling unit in all zones where single-family dwelling units are allowed • Ensure the permitting requirements and necessary findings for residential care facilities for 7 or more persons are consistent with State law and fair housing requirements. • Amend the Non-Coastal Zoning Ordinance to align with requirements for permitting emergency shelters as described in Government Code Section 65583(a)(4). • Ensure the permitting requirements and necessary findings for reasonable accommodations are consistent with State law and fair housing requirements. 	December 2022 (Local Adoption; Coastal Commission Certification in 2023)	<p>COMPLETED: This program was completed by Planning Division staff and a consultant, Best, Best and Krieger, in 2024. The ordinance amendment updated the County's zoning ordinance for the non-coastal and coastal areas, to be consistent with State law related to certain special needs housing and reasonable accommodation requests. Specifically, the amendment addressed emergency shelters, low barrier navigation centers, residential care facilities, transitional and supportive housing, and reasonable accommodation requests. This amendment along with the amendments addressing Program HE-M, were presented to and adopted by the Board of Supervisors on December 17, 2024.</p> <p>After adoption, the amendment to the Coastal Zoning Ordinance will be submitted to the Coastal Commission for review and certification. In 2025, staff will work with the Coastal Commission to address any modifications to the ordinance. It is anticipated that final certification by the Coastal Commission, and subsequent final adoption by the Board will be completed in 2025.</p>
HE-O - Funding for the Housing Trust Fund	<p>The County shall continue to support the efforts of the Housing Trust Fund Ventura County, a local nonprofit organization that provides short term, acquisition and pre-development funding to developers of affordable housing.</p> <p>In June 2020, the County Board of Supervisors approved \$300,000 in General Funds to be contributed to the Housing Trust Fund of Ventura County, \$100,000 per year over three years (FYs 2020-2023). Additionally, approximately \$1 million in PLHA funding to the VC Housing Trust Fund has been approved and is anticipated to be distributed over three years (FY2021-2024). In implementing this program, the Housing Trust Fund of Ventura County has the opportunity to match this funding dollar for dollar under HCD's Local Housing Trust Fund program. These funds may be utilized countywide.</p>	<p>FY 2020-2024</p> <p>By 2025, the County will consider dedication of additional funds</p>	For the first three years of the five-year 2020-2024 Permanent Local Housing Allocation (PLHA) plan, 30% of the overall allocation was reserved for funding and participation in the Housing Trust Fund Ventura County as match for the State's Local Housing Trust Fund program. As a result, a total of \$1,037,584 was granted to VC Housing Trust fund. Funds will be used to provide short term construction and acquisition funds for affordable housing developments in the unincorporated county as well as within the cities of Fillmore, Moorpark, Ojai, Port Hueneme, Santa Paula, and Thousand Oaks. Overall, many of the clients serviced and funds allocated by the Housing Trust Fund Ventura County involved the unincorporated areas of the County.
HE-P - Maintain Senior Housing at Mobilehome Parks	The County shall maintain senior occupancy of designated Senior Mobilehome Parks at 80% or more pursuant to the adopted Senior Mobilehome Park Overlay Zone.	Ongoing	Planning Division staff implements this program on an ongoing basis. In January 2024, Staff completed its biennial verification of all eight Senior Mobilehome Parks in the County to ensure each park maintains senior occupancy at 80% or more pursuant to the County Senior Mobilehome Park Overlay Zone. As part of this verification, park managers are required to submit an Age Verification Certification Form every two years to certify the number of occupants that are 55 years of age or older living in the park. The Planning Division will continue the verification process for all eight Senior Mobilehome Parks in the County on a biennial basis. The next verification is scheduled for January 2026.

The Area Housing Authority of the County of Ventura administers these funds on an ongoing basis and assists approximately 106 residents in the unincorporated area. In 2024, Ventura County received a zero-inflation factor to the funding equation, thus creating a funding "short fall" for the year. To respond to this situation, the Area Housing Authority of the County of Ventura is not currently issuing new vouchers or awarding project-based vouchers to development projects.</p>

HE-S - Development Review Committee Fee Waiver	The County shall waive the fee for a pre-application Development Review Committee meeting with relevant County agencies for proposed 100% affordable housing projects. The Development Review committee consists of key County staff in various departments (e.g. County Fire District, Public Works Agency, Transportation Division, Environmental Health Division, etc.) who review discretionary permit applications at the pre-submittal stage to discuss development constraints and potential solutions.	May 2022 (As part of the mid-year amendments to the County fee schedule)	COMPLETED: Planning Division staff completed this program in May 2022 by waiving the fee for a pre-application Development Review Committee (DRC) meeting with relevant County agencies for proposed 100% affordable housing projects as part of the Board adoption of the Planning Division fee schedule for the 2022-2023 fiscal year.
HE-T - Publish Clear Permit Approval Procedures	The County shall publish clear permit approval procedures by maintaining an updated webpage that includes Spanish translation that clearly identifies ministerial permitting pathways for new State law provisions (e.g., SB 35, AB 2162, AB 1783 compliant housing) which exempt certain housing development from discretionary review.	April 2022	<p>COMPLETED: Funded by a State planning grant (Senate Bill 2, 2017), County staff created a streamlined ministerial multifamily housing permit application along with public education materials, and guidance on the determination of objective standards in the County's General Plan, Area Plans, and Zoning Ordinances. All materials were added to the Planning Division website in April 2022, available at https://vcрма.org/en/streamlined-multifamily-housing. The website information was also translated to Spanish.</p> <p>Staff updates resources, as needed, after the passage of new State laws.</p>
HE-U - Modular Accessory Dwelling Units and Garage Conversion Building Plans	The County shall market the Ventura Council of Governments "Regional ADU Program" once it is funded and developed using Regional Early Action Planning Grant funds. This program will include design plans for a less expensive prefabricated, stand-alone ADU, and several free templates for a garage ADU conversion to be made available to homeowners.	Summer 2022	<p>COMPLETED: The Regional Early Action Planning (REAP) Grant funds awarded to the Ventura County Council of Governments (VCOG) were re-directed from preparation of a "Regional ADU Program" to developing an ADU website, and to assist all county residents with building an ADU. In 2024, VCOG launched a comprehensive ADU website for Ventura and Orange counties (https://housingocal.org/), which includes helpful resources such as an ADU cost calculator, that can be used by all jurisdictions within Ventura County.</p> <p>The Planning Division website includes links to several components of this website, including the ADU cost calculator tool. Additionally, the County markets its own pre-approved plans for detached ADUs, developed by the County's Building and Safety Division in 2021. These plans provide an affordable option for developing ADUs on site and are available free of cost for all county residents. Three options are currently available for use – 700 sq. ft, 900 sq. ft, and 1198 sq. ft. In 2025, it is anticipated that these pre-approved plans will be further refined to better reflect State law allowances for ADUs.</p>
HE-V - Code Compliance	The County shall continue to encourage the rehabilitation of substandard residential properties by homeowners and landlords to improve overall housing quality and conditions by responding to calls from residents regarding potential building code violations, and refer residents to appropriate resources (e.g., Building and Safety division, fair housing legal services through Housing Rights Center, and Human Services Agency, etc.). The County shall report the results of the Code Compliance violations and resolutions for substandard housing improvements bi-annually.	Bi-Annually (As part of the Annual Progress Report)	This program is implemented by the County's Code Compliance Division on an on-going basis. The Code Compliance Division issues violations for blighted properties containing various degrees of substandard housing conditions from faulty interior wiring to dilapidated exterior structural support. Code Compliance staff works with applicants and provides guidance on how to achieve abatement of violation noted in the substandard housing condition. The efforts were last summarized for this program in the 2023 Annual Progress Report document, available on the Planning Division website (https://vcрма.org/divisions/planning/ventura-county-general-plan-annual-report/). As noted in Program HE-V, the County shall report on this program bi-annually in the Annual Progress Report (i.e., in the 2025 Annual Progress Report document).
HE-W - Home Rehabilitation	<p>The County shall partner with non-profit organizations such as Habitat for Humanity to provide home rehabilitation assistance for homes owned by low-income families, veterans, and elderly residents on limited incomes. By addressing long-deferred home maintenance, and fixing critical repairs and code violations, this program helps families stay in their already affordable homes and avoid displacement.</p> <p>Based upon the annual funding cycles available to the County beginning in FY 2021-22, CEO Community Development shall implement notice of funding availability shall and application acceptance process for up to 15 units or \$200,000, per year during the eight-year Housing Element cycle. Priority application points shall be given to applications received from low opportunity and disadvantage communities in entitlement areas to affirmatively further fair housing.</p>	FY 2021-22, Ongoing	<p>In 2023, the County CEO-Community Development Division updated their website to highlight opportunities for low-income, veteran, and senior homeowners to apply for home rehabilitation assistance.</p> <p>In addition, the Community Development Division partnered with Habitat for Humanity Ventura County to implement the Habitat Home Repair Program. Habitat for Humanity receives CDBG funds and in return accepts applications to restore blighted properties.</p>
HE-X - HomeShare	<p>The County shall administer the HomeShare program, which matches home providers with home seekers in exchange for minimal rent and/or services, such as a senior homeowner that is in need of assistance (transportation, cooking, housekeeping, yardwork, companionship, pet care, etc.) and has extra available room in his/her home.</p> <p>In implementing this program, the HomeShare program matches approximately 112 home seekers with providers annually. Monthly rental ranges from \$500-\$600, sometimes no-rent is charged if over 10 to 12 hours of services is provided per week. Additionally, the County is providing affordable housing options in high opportunity areas and furthering fair housing.</p>	Ongoing	The Ventura County Area Agency on Aging continues to implement this program throughout the year. In 2024, 185 home seekers were matched with homeowners seeking this type of rental arrangement. Additionally, home seekers were connected to over 1,000 resources and referrals.

HE-Y - Inclusive Community Representation	The County shall actively recruit county residents in low opportunity neighborhoods to serve or participate on boards, committees, and other local government bodies to foster inclusive communities and further fair housing objectives.	Ongoing	<p>The County continually implements this program as part of standard operations and continuously encourages adequate and inclusive community representation whenever possible.</p> <p>The County Clerk of the Board (COB) has initiated updates to their Boards, Commissions, and Committees (BCCs) portal which is used to post position vacancies and receive applications from community members. In 2024, the Clerk of the Board completed the following upgrades to their system to make applying for BCCs more inclusive and user friendly:</p> <ul style="list-style-type: none"> •Added a GIS mapping component to the portal to determine if potential applicants for vacancies are residing in a low-resource opportunity zone. •Updated informational materials about BCCs and distributed materials to all agencies that have BCCs. •Added the newly created flier to COB's website: https://www.ventura.org/county-executive-office/clerk-of-the-board/boardscommissionscommittees-information/. •Transitioned the application process to an online paperless system, allowing applicants to avoid printing, scanning, emailing, or mailing their physical applications. •Revised the BCCs portal to allow applicants to apply for appointments to multiple BCCs simultaneously. •Recruited for BCCs on Board of Supervisor's social media pages.
HE-Z - ADU Monitoring	The County shall track new ADUs and collect information on the use and affordability of these units. Halfway through the projection period (2025), if determined that these units are not meeting a lower-income housing need, the County shall ensure other housing sites are available to accommodate the unmet portion of the lower-income RHNA.	<p>Annually (As part of the Annual Progress Report)</p> <p>The 2025 Annual Progress Report will include assessment on the progress of ADUs in meeting RHNA targets</p>	<p>Planning Division staff implements this program on a semi-annual basis by collecting ADU rental information throughout the year and addressing the development and cost of ADUs and JADUs in the Annual Progress Report. This program commits to annually monitoring the production of ADUs and JADUs to ensure that the County's projected average of 70 units per year is being achieved and addressing a significant portion of the RHNA.</p> <p>In March 2024, the Planning Division submitted the County's 2023 Annual Progress Report (APR) to the State. The report included that a total of 170 ADUs and JADUs received building permits in the unincorporated County in calendar year 2023 alone. This brought the total number of ADUs/JADUs produced so far for the 6th RHNA cycle to 278 units (from October 16, 2021 through December 31, 2023), which is equivalent to approximately 50 percent of the County's ADU target for the entire 2021-2029 planning period. This indicates that the County is surpassing the State's target of 70 units per year and illustrates the County's support in producing ADUs and meeting the County's RHNA allocation for lower-income units.</p> <p>Section B of the 2023 APR includes a more detailed discussion of ADU/JADU trends and affordability throughout the County. As noted in the program's timeframe, the 2025 APR will include a comprehensive analysis of overall ADU/JADU production in the County.</p>

XI. SENIOR HOUSING TEST

The Housing Successor Agency is to calculate and report the percentage of units of deed-restricted rental housing restricted to seniors and assisted by the Housing Successor Agency, the former redevelopment agency and/or the County of Ventura within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted by the Housing Successor Agency, the former redevelopment agency and/or County of Ventura within the same time period. If this percentage exceeds 50%, then the Housing Successor Agency cannot expend future funds in the LMIHF to assist additional senior housing units until the Housing Successor Agency or City assists and construction has commenced on a number of restricted rental units that is equal to 50% of the total amount of deed-restricted rental units.

The following table provides the information required for this report on the Housing Successor Agency's Senior Housing Test for the 10-year period of July 1, 2014 – June 30, 2024.

Senior Housing Test 10-Year Test July 1, 2014 – June 30, 2024	
# of Assisted Senior Rental Units	0
# of Total Assisted Rental Units	0
Senior Housing Percentage	0%

XII. EXCESS SURPLUS TEST

Excess Surplus is defined in subdivision (d) of Section 34176.1 as “an unencumbered amount in the account that exceeds the greater of one million dollars (\$1,000,000) or the aggregate amount deposited into the account during the [Housing Successor Agency's] preceding four fiscal years, whichever is greater.”

Year	FY 2019-20	FY 2020-21	FY 2021-22	FY 2022-23	Aggregate of 4 Prior FY's	FY 2023-2024
Beginning Balance	\$ 530.88	\$ 543.34	\$ 548.80	\$ 550.64		\$ 558.83
Add: Deposits	\$ 12.46	\$ 5.46	\$ 1.84	\$ 8.19	\$ 27.95	\$ 20.93
Less: Expenditures	\$ <0.00>	\$ <0.00>	\$ <0.00>	\$ <0.00>		\$ < 0 >
Ending Balance	\$ 543.34	\$ 548.80	\$ 550.64	\$ 558.83		\$ 579.76

As provided in subdivision (d) of Section 34176.1, the greater of \$1,000,000.00 or the aggregate of deposits during the preceding four fiscal years is used to calculate excess surplus. Since the aggregate of deposits during the preceding four fiscal years is \$27.95, \$1,000,000 will be used to calculate excess surplus.

The current unencumbered amount in the account is \$579.76 as of June 30, 2024, which is below the Housing Successor Agency's basis of \$1,000,000. Therefore, there is no excess surplus.
