DISCUSSION:

Humana is a managed health care company that offers various Medicare-sponsored insurance products commonly known as Medicare Advantage ("MA") HMO, MA-POS and MA-PPO benefit plans. Humana currently has approximately 4,500 HMO/POS members and 150 PPO members in the local region. The County of Ventura has maintained a hospital services contract with Humana for its MA-HMO and MA-POS members since October of 2013. The County of Ventura and Humana have finalized negotiations to: 1) augment inpatient hospital rates; 2) extend the contract to MA-PPO members; and 3) extend the term of the contract for a two (2) year period ending July 31, 2026. This Amendment One is projected to increase revenue by about thirty-two percent (32%).

The portions of the agreement concerning compensation paid to HCA are exempt from disclosure under the Public Records Act (Health and Safety Code Section 1457 (c) (1)). If the Board would like further information regarding the rates, the original agreements are retained by Mike Taylor, HCA Chief Financial Officer.

This letter has been reviewed by the County Executive Office, County Counsel, and Auditor-Controller's Office. If you have any questions regarding this item, please call Paul Jaconette, MPH, Director of Strategy and Business Development at 805-677-5105.
