I'm writing and asking for your non partisan support for the fabulous and no political affiliation diaper bank that is Conejo Community Outreach. I've heard that they are up for a 4 year \$40,000 grant which would absolutely change lives for the better for so many in the Conejo Valley. CCO is already doing this but their monthly needs are more than they can currently fulfil, there is always a waitlist. This grant would be program changing, for the better, as diapers are expensive and a burden to many families. Imagine how many more families they can support and help with this grant!!!

I'm asking you to ignore any political discussions around this issue. There is only one fact that matters. CCO helps ALL families!

Thank you for your time!
