I want to express to the Board of Supervisors my strong support for Ventura County's adherence to the California Voter Choice Act.

I am so impressed by our election process. I receive in the mail a post card letting me know when I will receive my ballot; then I receive in the mail the Voter's Guide and the Official Voter Information Guide. Ventura County has ballot boxes for easy drop off and our votes are counted quickly, efficiently and accurately. There are voter centers, but I much prefer to vote by mail.

I have all the confidence in the world about Ventura County's voting system and urge the Board to reject any and all requests from people who want us to drag us back to Shasta-esque, nonsensical voting procedures.

Thank you,

Miriam Mack
