Dear Ventura County Board of Supervisors,

I ask that you vote to not close the ICU and OB Units of the Santa Paula Hospital. These are vital services needed for the communities of Santa Paula and Ventura County. To have full community engagement and safety and for the well-being of all human beings, these units must remain open. Make the right decision to keep them open. I stand with community and healthcare workers and ask you to keep them open.

Sincerely,  
Elizabeth Soto
