

# VENTURA COUNTY PROBATION AGENCY

TRUTH ACT Public Forum  
November 7, 2023

- **The Probation Agency does not share client information - for the purposes of immigration enforcement - with federal officers and/or employees absent administrative approval.**
- **Similar to other Ventura County law enforcement agencies, the Probation Agency does not participate in immigration enforcement activities in the community.**
- **In 2022, there were zero instances whereby Probation Agency personnel shared residence address information with federal officers (ICE) on adult clients.**

➤ **The Probation Agency oversees the daily operations at the county's juvenile detention and commitment facility.**

- *Average daily population in 2022: 64 youth and young adult residents (pre & post adjudication)*
- *WIC 827 does not authorize sharing of confidential information on justice involved youth with federal officers absent a judicial order.*
- *In 2022, federal officers did not seek nor were they granted access to youth and/or young adult residents in our care.*
- *No youth and/or young adult resident was held past their scheduled facility release date for immigration purposes and/or at the request of federal officials (No Detainers).*
