Dear Ventura County Supervisors,

Thank you for considering Agenda Item 73, Funding for Conejo Community Outreach Diaper Bank, which will provide a total of \$40,000 over the next four years to support a volunteer-run community non-profit that serves families in need within the Conejo Valley by distributing up to 30,000 free diapers per month. The organization is not political and serves families in need regardless of religious or political beliefs. Certain members of the public within the County are attempting to make this issue a political one due to the political views of at least one of the organization's leaders, expressed and practiced outside of her role as a part of this organization. Please do not let the discontent of some of the public at the presence of political views other than their own, exercised freely outside of the organization being considered for support in this item, dissuade you from supporting this very worthy, necessary, and non-partisan cause.

Thank you,

Jackson Piper
