Please forward the following letter of support to the Board of Supervisors.

I am writing to express my support for the Karl's development at Fisherman's Wharf. The vision for the development fits the needs of the community and will be a good attractions for tourists and visitors. The Karl's development will bring visitors to the Channel Islands harbor which will benefit Ventura County as a whole. Ventura County has so much to offer and the Channel Islands Harbor is truly one of its treasures. Much work behind the scenes has been done to bring this opportunity before the Board of Supervisors. I truly hope you, the Board of Supervisors, will see this development as a positive step in showcasing Ventura County as a cultural and entertainment destination.

Sincerely,
Sharon Jordan
