Discussion:

Recommendation #1:

Telecare Corporation (Horizon View): provides locked mental health rehabilitation center (MHRC) services for individuals who have a history of severe mental illness who cannot be properly treated at lower levels of care. These members are: (1) Medi-Cal eligible, (2) eighteen years or older, and (3) on conservatorship pursuant to the Lanterman-Petris-Short Act and are transferred to Horizon View from an acute psychiatric hospital, a State hospital, or another locked MHRC. VCBH members receive supervision, guidance, and personal assistance in performing their daily living activities. In addition, structured day and evening services are also provided to assist members in acquiring living skills, accessing community resources, and accessing educational/vocational resources.

The proposed third amendment to the Agreement with Telecare Corporation (Horizon View) will increase the current fiscal year contract maximum to facilitate adequate service delivery and funding through fiscal year end. This amendment would be effective June 3, 2025. There will be no change in the current term of the agreement (July 1, 2024 through June 30, 2025) and this agreement is funded by SD/MC FFP and Realignment.

VCBH recommends approval of, and authorization for the VCBH Director or designee to sign, the third amendment to the agreement with Telecare Corporation (Horizon View), for the provision of Medi-Cal SMHS, in the maximum amount of \$3,643,351, for the current term of July 1, 2024 through June 30, 2025.

Recommendation #2:

Telecare Corporation (Vista): provides ACT program services to adult individuals who have been released from local jails. These individuals receive community-based support to ensure independent living and wellness. ACT services include mental health treatment, psychiatric care and management, medication education, alcohol and other substance

abuse treatment, life skills training, vocational training and counseling, advocacy regarding criminal justice, social services, social security issues, and linkage with peer support programs, and housing support.

The proposed fifth amendment to the Agreement with Telecare Corporation (Vista) will increase the current fiscal year contract maximum to facilitate adequate service delivery and funding through fiscal year end. This amendment would be effective June 3, 2025. There will be no change in the current term of the agreement (July 1, 2024 through June 30, 2025) and this agreement is funded by SD/MC FFP and MHSA funding.

VCBH recommends approval of, and authorization for the VCBH Director or designee to sign, the fifth amendment to the Agreement with Telecare Corporation (Vista), for the provision of Medi-Cal SMHS, in the maximum amount of \$1,362,741, for the current term of July 1, 2024 through June 30, 2025.
