Re: Crisis Care Mobile Units (CCMU) Additional Direct Service Funding Notice of Award

Dear Maryza Seal,

Thank you for your application to Advocates for Human Potential, Inc. (AHP) and the California Department of Healthcare Services (DHCS) for the CCMU Additional Direct Services Funding.

Congratulations! This letter serves as your Notice of Award.

AHP, on behalf of DHCS, is pleased to announce Ventura County Behavioral Health Services has been selected to receive additional direct service funding in the amount of \$208,170.89. These funds are to be used to continue work related to the direct service of the CCMU program. Your award will allow for a modification to your current contract, that concludes on June 30, 2025.

In the coming weeks, AHP will draft your agency's revised Statement of Work (SOW) to your existing contract and send it out for execution.

If you have any questions, please contact your grantee liaison or the AHP CCMU team at CCMU@ahpnet.com.

Sincerely,
