Ventura County Board of Supervisors
800 South Victoria Ave.
Ventura, CA 93009

Dear Chair LaVere and Members of the Board of Supervisors,

As the Executive Director of For The Need, I believe that having a Family Justice Center in the East County and specifically in Simi Valley would bring a much-needed benefit to this local community. As of now, all residents from the East County are required to commute to the Government Center or Oxnard.

A Family Justice Center in Simi Valley alongside the services that are offered through the Human Services Agency will allow residents in the East County to have a needed sense of security in one area that is convenient.

Sincerely,
