Good afternoon,

It has come to my attention that CCO has been added to the board agenda to receive a grant to help find diaper needs in our community. I want to personally thank the board for this consideration!

The moms who volunteer their time to CCO are good friends of mine and I have watched them grow from a few diaper donations to more than a million diapers (and even more wipes!) donated to local families. The service they provide is invaluable to new parents. I remember the struggle in buying diapers and wipes for my own kids and how much of a relief an organization like this would have been. Which is why my own 3 children and I have dropped off boxes of diapers and wipes to the bank many times over the years.

Receiving a grant as generous as yours will be far reaching to countless families right here in the Conejo Valley and most importantly to their precious babies.

Thank you for caring about the well-being of our community and our children.
