I want to thank you for promoting the one-time grant for the Conejo Community Outreach Diaper Bank.

I became aware of this nonprofit grassroots effort during the COVID pandemic. However, I didn't appreciate the scope of its outreach. I was surprised to learn it's 100% run by volunteers, and it's been serving families throughout Ventura County. (I initially thought it was limited in scope.) This has been a blessing for families with limited income.

The Diaper Bank is a worthy organization that will put the grant to good use.

Again, thank you for your support.
