Dear Supervisors,
Transparency is the bedrock of good governance. I request you to oppose the "WHEN FEASIBLE" big oil settlement. I would predict that it would never be feasible to stop developing more oil expansion in our communities. Protect our Ventura County 2040 General Plan from corporate interests and restore government integrity. The health and well-being of our citizens should be your first priority.
Thank you,
Carol Johnson
1002 Rosada Ct. Camarillo 93010
