Unless otherwise exempt in accordance with the provisions of the Ordinance, this Contract is subject to the applicable provisions of the County's "Living Wage Ordinance" ("LWO") (Ventura County Ordinance Code section 4950 et seq.), as amended from time to time. As specified elsewhere in this Contract, to the extent that federal, state or other applicable requirements require payment of particular employees at a higher rate, the higher rate must be paid.

- a. Under the LWO, covered employees must be paid at no less than the minimum initial wage rate as defined in the LWO, as the same may be adjusted each July 1, with provision of health benefits as defined in the LWO when required.

- b. Ventura County Ordinance Code section 4957 requires that the following be included in contracts subject to the LWO: "This contract is subject to the County of Ventura Living Wage Ordinance. The Ordinance requires the payment of a living wage and accompanying paid time off to all covered employees engaged in providing services pursuant to a service contract as defined in Sec. 4952(f). Misrepresentation during the procurement or contracting process in order to secure the contract will disqualify a bidder or contractor from further consideration in the procurement or contracting process. Failure to comply once a contract has been awarded will constitute a material breach of the contract and may result, among other things, in the suspension or termination of the affected contract and debarment from future County contracting opportunities for a period not to exceed three (3) years."
- c. Contractor pledges that it will comply with federal law proscribing retaliation for union organizing and will not retaliate for activities related to the LWO. Contractor shall require each of its subcontractors within the meaning of the LWO to pledge to comply with the terms of federal law proscribing retaliation for union organizing. Contractor shall deliver executed pledges from each such subcontractor to the County within 90 days of the execution of the subcontract.
- d. The Contractor, whether an employer, as defined in the LWO, or any other person employing individuals, shall not discharge, reduce in compensation, or otherwise discriminate against any employee for complaining to the County with regard to the employer's compliance or anticipated compliance with the LWO, for participating in proceedings related to the LWO, for seeking to enforce his or her rights under the LWO by any lawful means, or for otherwise asserting rights under the LWO. Contractor shall post the Notice of Prohibition Against Retaliation provided by the County.
- e. Any subcontract entered into by the Contractor relating to this Contract shall, unless exempt or excepted under the LWO, be subject to the provisions of the LWO and shall incorporate the "Living Wage Ordinance."
- f. Contractor shall comply with all rules, regulations, and policies promulgated by the County administrative agency administering the LWO, as the same presently exist or as they may be amended from time to time.
- g. Contractor shall complete a Declaration of Compliance within ten (10) days of Contract award proclaiming its adherence to the Living Wage Ordinance.
- h. Under the provisions of Section 4960 of the LWO, the County shall have the authority, under appropriate circumstances, to terminate this Contract and otherwise pursue legal remedies that may be available if the County determines that the subject Contractor has violated provisions of the LWO.
- i. Where under the LWO Section 4959, the County administrative agency administering the LWO has determined (1) that the Contractor is in violation of

Goodwill Industries of Ventura and Santa Barbara Counties

Page 9 of 9

the LWO in having failed to pay some or all of the living wage, and (2) that such violation has gone uncured, the awarding authority in such circumstances may impound monies otherwise due the Contractor in accordance with the following procedures. Impoundment shall mean that from monies due the Contractor, the awarding authority may deduct the amount determined to be due and owing by the Contractor to its employees. Such monies shall be placed in the holding account referred to in LWO policies and procedures. Whether the Contractor is to continue work following an impoundment shall remain in the unfettered discretion of the awarding authority. The Contractor may not elect to discontinue work either because there has been an impoundment or because of the ultimate disposition of the impoundment by the County.

INTRODUCTION

The General Conditions, Assurances and Certifications shall apply to and are incorporated into this contract. To the extent there is any conflict between the General Conditions, Assurances and Certifications and any other provision in this contract, the General Conditions, Assurances and Certifications shall prevail. To the extent that provisions in the General Conditions, Assurances and Certifications relate to services or activities not encompassed in the subject contract, those provisions do not apply.

A. GENERAL CONTRACT CONDITIONS

1. Reports

The Contractor shall submit timely and accurate programmatic and financial reports in accordance with the contract and County Directives.

2. Limits of Obligation

The Contractor shall be paid in accordance with the contract and budget, not to exceed the maximum amount specified. Any cost incurred by the Contractor over and above the maximum amount obligated by the contract and budget shall be at the sole risk and expense of the Contractor.

3. Documentation and Procurement Requirements

The Contractor shall maintain documentation of all services and contract costs and comply with all applicable procurement requirements. Such documentation and procurement must be in accordance with the contract requirements and all applicable federal, State, and County requirements, and provide sufficient detail (*i.e.*, original source documents) to support Contractor purchases, claims for reimbursement and payments made under the contract.

4. Disallowed Costs

Contractor shall be liable for all amounts which are determined to be due as a result of disallowance by the Federal Government, the State of California, or the County of Ventura or any other governmental agency with jurisdiction, when such disallowance is the result of the Contractor's or its Subcontractor's conduct. Payment of any disallowed costs must be made within 30 days of notification of the disallowed costs, unless otherwise specified by County. The Contractor shall comply with the provisions set forth in the County's Audit Resolution Procedure, hereby incorporated by reference, regarding Contractor's liability for expenditures disallowed by an auditor. Contractor will be notified of any disallowed costs or any other controversy or proceeding between County, the State of California or the federal government arising from the performance of the contract.

5. Availability of Funds

- a. The contract is valid and enforceable only if sufficient funds are made available to the County from the appropriate funding source and are appropriated by the County Board of Supervisors for the purpose set forth in the contract.

- b. At the expiration of the term of the contract or upon termination prior to the

GENERAL CONDITIONS, ASSURANCES AND CERTIFICATIONS

expiration of the contract, and after all payments have been made to the Contractor for services provided, any remaining funds that were previously obligated under the contract shall revert to the County.

- c. The County retains the right to suspend financial assistance, in whole or in part, to protect the integrity of the funds or to ensure proper operation of the program, providing the Contractor is given prompt notice and the opportunity for a hearing within 30 days from such suspension. Failure on the part of the Contractor or a Subcontractor to comply with the provisions of the contract or with applicable law, when such failure involves the allegation of fraud as a result of a monitoring or other program review or misappropriation of funds, may result in immediate de-obligation and withholding of funds and debarment from program operation.

6. Administrative Directives, Unilateral Modifications, Contract Directives

The County may issue administrative directives, unilateral modifications and contract directives concerning interpretations of Federal or State laws, rules and regulations, and directives received from the Federal Government or the State, and/or from the County Board of Supervisors, which may require changes in procedures by the Contractor.

Contractor will be deemed responsible for complying with such administrative and contract directives and/or modifications only after being formally notified in writing of appropriate action necessary.

7. Venue and Construction

The validity of this contract and any of its terms or provisions, as well as the rights and duties of the parties under this contract, will be construed pursuant to and in accordance with the laws of the State of California. The parties acknowledge that the contract is entered into and is to be performed in the County of Ventura, State of California. GENERAL CONDITIONS, ASSURANCES AND CERTIFICATIONS

consequent upon the use, misuse, or failure of any equipment used by Contractor or any of Contractor's employees, even though such equipment is furnished, rented, or loaned to Contractor by County. The acceptance or use of any such equipment by Contractor or Contractor's employees shall be construed to mean that Contractor accepts full responsibility for and agrees to exonerate, indemnify and hold harmless County from and against any and all claims for any damage whatsoever resulting from the use, misuse, or failure of such equipment.

11. Contamination and Pollution

Contractor, solely at its own cost and expense, will provide clean up of any premises, property or natural resources contaminated or polluted due to Contractor activities. - e. The system for soliciting and/or developing fixed unit price contracts must include sufficient documented analysis to assure that costs billed as a single-unit charge are reasonable and supportable, based on the prevailing rate of such services obtained from competitive sources, or that costs are justifiable, predicated on the unique nature of the service provided.
- f. No subcontract shall alter in any way any legal responsibility of Contractor to
