Danny Ramirez mural design

Danny Ramirez Plaque Design

Danny Ramirez, Sr. has a long and storied history with this Stadium. Danny was part of everything in One-River, from being the Park Ranger, sitting on both the Piru Youth Sports and Park Commission Boards, to announcing games, umpiring, coaching, playing baseball as a youth and organizing and playing in softball leagues as an adult, to tending the grass on the diamonds and painting the base lines. His care of and love for this field, and those who came here, knew no bounds.
