Dear Board Members,

There are already multiple measures in place to ensure that Ventura County elections are safe, secure, honest, and fair. The establishment of an Election Advisory is an attempt to cast doubt on the protections provided for in the Voters Choice Act. The consideration and, if enacted, formation of such a committee would be a complete waste of time and resources, and would be primarily to placate a small group of election deniers who believe and promote misinformation about election processes and safeguards.

Please do not establish this committee. It is unnecessary and foments further mistrust of what are objectively impartial and protected processes.

Leslie Hall, M.A.
